The Top 10 Burning Research Questions from Practitioners

Sallyann Freudenberg and Helen Sharp

Acknowledgments:

We would like to acknowledge the attendees of XP2010 for their contributions. In particular, we thank the panel convenor Frank Maurer and the panelists—Angela Martin, Pekka Abrahamsson, Steven Fraser, Michael Feathers, Torgeir Ding-sor, and Jutta Eckstein—for their knowledge, ideas, practical suggestions, and encouragement.

This erratum corrects the article “The Top 10 Burning Research Questions from Practitioners,” Sallyann Freudenberg and Helen Sharp, IEEE Software, vol. 27, no. 5, pp. 8–9; <http://doi.ieeecomputersociety.org/10.1109/MS.2010.129>.

Unless otherwise stated, bylined articles, as well as product and service descriptions, reflect the author’s or firm’s opinion. Inclusion does not necessarily constitute endorsement by the IEEE or the IEEE Computer Society.
