The terminal that faces up to everyone's problems.

Now there's a low-cost, high-performance terminal that faces up to all the needs of the clerical workstation: Qume's QVT 102™ terminal.

The QVT 102™ has all the features of the Hazeltine 1500, Lear Siegler ADM 3A/5, and Televideo 910, and emulates any one of them with a keystroke! Plus, features found in higher-priced terminals are standard on the QVT 102™ — including block and conversational modes, local editing, a 25th status line, menu set-up mode, and screen content printing.

Best of all, superior ergonomic design makes the QVT 102™ a perfect fit for everyone on your staff. They'll love the tilt/swivel screen in green or amber. The big 9 x 12 character cell. The optional 14-inch display for even better readability. The detached, low-profile keyboard. And many other features that make people more comfortable and productive.

So choose Qume's QVT 102™ — the terminal that's ideal for people, performance, and price. Talk to your Qume sales office, or write Qume Corporation, 2350 Qume Drive, San Jose, California 95131.

QVT terminal
Your best investment in productivity.
