For the second time in the Far East “Computer Graphics Tokyo ’84” will cover state-of-the-art computer graphics with emphasis on practical applications for advancing productivity in industry and business. The conference will be held in Tokyo.

Papers are being solicited for this second international computer graphics conference and exhibition.

Papers related to the following areas are invited:
- Computer-Aided Design, Manufacturing and Testing (CAD/CAM/CAT) in Electrical, Mechanical and Business Applications
- Business and Management Graphics for Office Automation
- Robotics
- Graphics for the Entertainment Industry
- Animation
- Graphics for Laboratory Automation
- Graphics for Scientific/Engineering Applications
- Medical Graphics
- Architectural Graphics and Automated Drafting
- Local Networks for Graphical Communications
- Graphic Database Management
- Computer Cartography
- Graphic Languages/User Interface
- Design Automation
- Computer Graphics Development
- 3D/Solid Modeling

Information for Authors: Papers should range in length between 1000-5000 words. The first page of each paper must include the following:
- title
- a maximum 150 word abstract of the paper
- author(s) name(s), title, affiliation, complete mailing address and phone number
- a statement of commitment that if accepted, one of the authors will present the paper at “CG TOKYO ’84”, and the name of the author who is responsible for the inclusion of the paper in the conference proceedings. Papers should be typed and double spaced.

A paper lacking any of the above information will not be considered by the Program Committee.

Expanded versions of exceptionally high quality papers will be invited for submission for publication in “IEEE Computer Graphics and Applications” journal.

Deadlines:
- DEC. 20, 1983-initial full paper, received
- JAN. 27, 1984- authors notified of acceptance, given final instructions
- MAR. 20, 1984- camera-ready papers received

Send Five Copies of Paper to:
Chairman of Program Committee
President of Computer Graphics Society
Professor Toshiyasu L. Kunii
Department of Information Science
Faculty of Science
The University of Tokyo
Hongo, Tokyo 113, Japan
Phone: (03) 812-2111 Ex. 4116
Telex: UNITOKYO J25510

For information about papers, conference attendance or participation in the exhibition please contact Japan Management Association, 3-1-22 Shiba Park, Minato-ku, Tokyo 105, Japan
Phone (03)434-6211, Telex: 25870JMA
