You need IEEE Computer Graphics and Applications —

the professional-level magazine devoted to designers and users of computer graphics hardware, software, and systems. Focuses on computer graphics research, technology, and practical use.

Here's why:

IEEE CG&A, now published monthly, is your window on the rapidly expanding world of computer graphics. Future special issues will keep you up to date on the latest developments in geometric modeling, display technology, CAD/CAM systems, personal computer graphics, computer graphics in art and entertainment, and much more. Our regular departments will bring you expanded New Product coverage, Book Reviews, Displays on Display, and news about computer graphics applications, standards, education, and conferences.

Here's how to subscribe:

If you are a member of any IEEE society, you can add IEEE Computer Graphics and Applications to your basic membership. If you are not a member, now is the time to join. See application on next page. CG&A is also the official membership journal of the National Computer Graphics Association and comes automatically with NCGA membership.

Special Offer:

Join the IEEE Computer Society now and receive a free copy of either of the following:

Microprocessors and Microcomputers (Second Edition) contains 29 selected papers on micros from COMPUTER. (298 pp.)
Regular nonmember price: $12

Selected Reprints in Software includes more than 25 of the best software articles from COMPUTER. (282 pp.)
Regular nonmember price: $12

Remember . . .

your membership in the IEEE Computer Society brings an automatic subscription to COMPUTER — the leading professional journal in the field of computer engineering.

MAILING ADDRESS

First name ___________ Middle initial(s) ______ Last name ___________
Street address ________________________________________________
City ___________________________ State/Country __________ Zip _______
Full signature __________________________ Date __________

OCCUPATION

Title or position __________________________ Date __________
Firm name ____________________________________________
Firm address ____________________________________________
City ___________________________ State/Country __________ Zip _______

IEEE membership no. or affiliate society membership no. (if applicable) ______
Grade __________________________ Date __________

EDUCATION (Highest level completed)

Name of educational institution ____________ Degree received _______________________
Course ______ Date __________

ENDORSEMENT (Name one individual, preferably an IEEE member, who knows you professionally)

Name (print in full) __________________________
Street address ____________________________________________
City ___________________________ State/Country __________ Zip _______

FOR OFFICE USE ONLY

Aden number _______ City/State/Country _______ Zip _______

__ Subsect ________ Grade _______ Category _______ Reg. __________
__ Subcat ________ Country _______ AC _______ BPA Code _______ Year _______
___ Subcat ________ BPA Code _______ Grade _______ Birth _______ Month _______
___ Subcat ________ Birth _______ Year _______ Exp. _______ Ed. _______
___ Subcat ________ Exp. _______ Month _______ Ed. _______ Year _______

IEEE Computer Society Membership Application

Schedule of fees

Important: Pay the FULL-YEAR rate if your application is postmarked between September 1, 1983 and February 29, 1984. Pay the HALF-YEAR rate if your application is postmarked between March 1, 1984, and August 31, 1984. Membership and publications expire December 31.

If you are not yet a Computer Society member:

1. I am an IEEE member who wishes to join the Computer Society. Enclosed is my ____________ ☐ $5.00 ☐ $10.00

2. I am a non-IEEE member who wishes to join both IEEE and the Computer Society.* Enclosed is my ____________ ☐ $52.50 ☐ $90.00

3. I am a non-IEEE member who wishes to join the Computer Society only. Enclosed is my ____________ ☐ $17.00 ☐ $34.00

4. In addition to my automatic subscription to COMPUTER, I also want to subscribe to IEEE Computer Graphics & Applications (3061). Enclosed is my ____________ ☐ $10.00 ☐ $20.00

If you are already a member of any IEEE society:

1. I am already an IEEE society member and wish to subscribe to IEEE Computer Graphics & Applications (3061). Enclosed is my ____________ ☐ $10.00 ☐ $20.00

Total amount remitted with this application:

(Make checks or money orders payable to IEEE. Mail to the IEEE Computer Society, 10662 Los Vaqueros Circle, Los Alamitos, CA 90720.)

IEEE members in Region 7 (Canada) and 8 (Western Europe and the Mid-East) may deduct $5 from full-year rates, $2.50 from half-year rates. IEEE members in Regions 9 and 10 may deduct $12 from full-year rates, $6 from half-year rates. ACM members who join both the IEEE and the Computer Society may deduct $5 from full-year rates, $2.50 from half-year rates. ACM discount applies only to those who join both IEEE and the Computer Society.

Hardcopy bulk air option for members in Regions 8-10: Western Europe, Latin America (including Mexico), and the Far East.

Add the following amount(s) for two-week delivery for COMPUTER and IEEE Computer Graphics & Applications:

Westen European All Other Areas

2.50

IEEE Computer Graphics & Applications

2.50

“Western Europe” includes Albania, Austria, Belgium, Bulgaria, Czechoslovakia, Denmark, Finland, France, East Germany, West Germany, Holland, Hungary, Iceland, Ireland, Italy, Liechtenstein, Luxembourg, Martinique, Monaco, Norway, Poland, Portugal (and Azores), Rumania, Spain, Sweden, Switzerland, United Kingdom, USSR, and Yugoslavia. “All other areas” includes all other countries outside the US, Canada, and Mexico.

Use the numbers to identify your plant activity and your own work. If more than one activity is involved, use the code number for the most prevalent. Note: If you select “other” for work and plant code or “other personnel” for job function code, be sure to explain on the lines provided.

WORK AND PLANT (Enter codes)

Plant ________ Your own work ________
1. Large computers
2. Minicomputers
3. Microcomputers
4. Computer peripheral equipment
5. Data processing systems (system integration)
6. Office and business machines
7. Test, measurement, and instrumentation equipment
8. Communications systems and equipment
9. Navigation and guidance systems and equipment
10. Consumer entertainment electronic equipment
11. Consumer electronic appliances
12. Other consumer electronics
13. Industrial controls, systems, and equipment
14. Components and subassemblies
15. Materials and hardware
16. Aircraft, missiles, space and ground support equipment
17. Oceanography and support equipment
18. Medical electronics
19. Industrial companies within OEM incorporating electronics equipment in their end product, not elsewhere classified
20. Independent research, test, and design laboratory and consultant (only if you are not connected with a mtg. co.)
21. Government agency and military
22. Industrial companies using and/or incorporating any electronic products in their manufacturing, research, or development activities
23. Communication (radio, TV, police)
24. Transportation services (airline, railroads, etc.)
25. Computer and data processing services: service bureaus, software services, timesharing, consulting
26. All other commercial users
27. Power generation equip. manufacturer
28. Power production (atomic, elc., etc.)
29. Power generation
30. Power transmission
31. Power distribution
32. Utilities, except power (telephone, telegraph, pipelines, etc.)
33. Distributor
34. School, university, or library
35. Others (explain)

JOB FUNCTIONS (Enter code)

General and corporate management
Design and development engineering (software, circuits, components, equipment, systems)
Engineering services evaluation (quality control, reliability standards, tests)
Member of Technical Staff (MTS)
Basic research
Manufacturing and production
Physicist, Scientist
8. Engineering support (drafterman, lab assistant, technician)
9. Purchasing and procurement
10. Marketing, including sales
11. Computer systems analysis
12. Engineering systems planning and design utilities
13. Operations including construction and maintenance (utilities)
14. Consulting
15. Other “EE’s”
16. Other engineers (explain)
17. Dean, professor, instructor, etc.
18. Student
19. Retired
20. Other personnel (explain)

JOB CATEGORY (Enter code)

Management other than engineering
Engineering and scientific management
Engineering/Physicist/Scientist
Software management
Software development
Software scientist/engineer
