You need IEEE Computer Graphics and Applications —

the professional-level magazine devoted to designers and users of computer graphics hardware, software, and systems. Focuses on computer graphics research, technology, and practical use.

Here's why:

IEEE CG&A, now published monthly, is your window on the rapidly expanding world of computer graphics. Future special issues will keep you up to date on the latest developments in geometric modeling, display technology, CAD/CAM systems, computer graphics in art and entertainment, and much more. Our regular departments will bring you expanded New Product coverage, Book Reviews, Displays on Display, and news about computer graphics applications, standards, education, and conferences.

Here's how to subscribe:

If you are a member of any IEEE society, you can add IEEE Computer Graphics and Applications to your basic membership. If you are not a member, now is the time to join. See application on next page. CG&A is also the official membership journal of the National Computer Graphics Association and comes automatically with NCGA membership.

Special Offer:

Join the IEEE Computer Society now and receive a free copy of either of the following:

Microprocessors and Microcomputers (Second Edition) contains 29 selected papers on micros from COMPUTER (298 pp.)
Regular nonmember price: $12

Selected Reprints in Software includes more than 25 of the best software articles from COMPUTER (282 pp.)
