CALL FOR PAPERS

The First Conference on Artificial Intelligence Applications

Sponsored by IEEE Computer Society
In Cooperation with American Association for Artificial Intelligence

Sheraton, Denver Tech Center
4900 DTC Parkway, Denver, Colorado
December 5-7, 1984

1984 CAIA is the first conference sponsored by IEEE Computer Society in cooperation with American Association for Artificial Intelligence. The conference focuses attention on applications of artificial intelligence to

Vision
Robotics
Expert Systems
Automated Reasoning
Knowledge Representation
Speech and Natural Language Understanding
Search and Learning
Planning & Problem Solving

Four copies of the complete paper are to be submitted to the Program Chairman as per Conference Time Table. Accepted papers will be published in the proceedings of the conference, and will be allocated six pages on the large manuscript format, thus allowing the author to describe the details of the technique and the application presented.

CONFEREE COMMITTEE
General Chairman
R. M. Haralick
Special Data Analysis Lab
Virginia Polytechnic Institute
and State University
Blacksburg, VA 24061

Program Chairman
J. K. Aggarwal

Local Arrangements Chairman
David Morgenthaler

Treasurer
Roger Ehrich

Tutorial Chairperson
Linda G. Shapiro

PROGRAM COMMITTEE
J. K. Aggarwal
Lab. for Image and Signal Analysis
University of Texas
Austin, TX 78712

B. G. Buchanan
R. O. Duda
R. Reddy
A. Rosenfeld
E. D. Sacerdoti
M. Tenenbaum
D. Waltz
L. A. Zadeh

Four Copies of Manuscript
June 1, 1984

Acceptance Letters
July 15, 1984

Camera-Ready Papers
September 1, 1984

Conference
December 5-7, 1984
