Notice

To comply with the Age Discrimination in Employment Act and to discourage age discrimination, Computer Graphics and other publications may reject any advertisement containing such phrases as: "recent college grads," "1-4 years maximum experience," "young man/woman wanted," or any ad that refers to ages of desired applicants in any way. CG&A reserves the right to appeal to any advertisement, without specific notice to the advertiser. "Experience ranges are suggested minimum requirements, not maximums." CG&A assumes that, since advertisers have been notified of this policy in advance, they agree that any experience requirements, whether stated as ranges or otherwise, will be construed by the reader as minimum requirements only.

COMPUTER GRAPHICS SOFTWARE SPECIALIST

Cranston/Csuri Production is currently searching for qualified applicants for a position as Computer Graphics Software Specialist. Of particular interest are individuals with experience in the areas of display systems, animation systems and systems software.
