PURPOSE

The Computer Society strives to advance the theory and practice
of computer science and engineering. It promotes the exchange of
technical information among its 90,000 members around the world,
and provides a wide range of services which are available to both
members and nonmembers.

MEMBERSHIP

Members receive the highly acclaimed monthly magazine
Computer, discounts on all society publications, discounts to attend
conferences, and opportunities to serve in various capacities. Mem-
bership is open to members, associate members, and student mem-
ers of the IEEE, and to non-IEEE members who qualify as affiliate
members of the Computer Society.

PUBLICATIONS

Periodicals. The society publishes six magazines (Computer, IEEE
Computer Graphics and Applications, IEEE Design & Test of Com-
puters, IEEE Expert, IEEE Micro, IEEE Software) and three research
publications (IEEE Transactions on Computers, IEEE Transactions on
Pattern Analysis and Machine Intelligence, IEEE Transactions on
Software Engineering).

Conference Proceedings, Tutorial Texts, Standards Documents.
The society publishes more than 100 new titles every year.

Computer. Received by all society members, Computer is an
authoritative, easy-to-read monthly magazine containing tutorial,
survey, and in-depth technical articles across the breadth of the
computer field. Departments contain general and Computer Society
news, conference coverage and calendar, interviews, new product
and book reviews, etc.

All publications are available to members, nonmembers, libraries,
and organizations.

ACTIVITIES

Chapters. Over 100 regular and over 100 student chapters around
the world provide the opportunity to interact with local colleagues,
speak technical issues, attend conferences, tutorials, etc.

Technical Committees. Over 30 TCs provide the opportunity to
interact with peers in technical specialty areas, receive newsletters,
conduct conferences, tutorials, etc.

Standards Working Groups. Draft standards are written by over 60
SWGs in all areas of computer technology; after draft approval via vote,
they become IEEE standards used throughout the industrial world.

Conferences/Educational Activities. The society holds about 100
conferences each year around the world and sponsors many educa-
tional activities, including computing sciences accreditation.

EUROPEAN OFFICE

This office processes Computer Society membership applications
and handles publication orders. Payments are accepted by cheques
in Belgian francs, British pounds sterling, German marks, Swiss
francs, or US dollars, or by American Express, Eurocard, MasterCard,
or VISA credit cards.

OMBUDSMAN

Members experiencing problems — late magazines, membership
status problems, no answer to complaints — may write to the
ombudsman at the Publications Office.
