IEEE COMPUTER SOCIETY
FORMERLY
IEEE COMPUTER GROUP

Membership Grade Requirements

MEMBER: A person who has demonstrated professional competence in the fields of electrical engineering, computer science, or the related arts and sciences. For admission, a candidate shall either:
1. Belong to the IEEE or to an approved Society with the grade of member or higher, or
2. Have graduated from a course of study of at least four academic years duration or its equivalent, or
3. Have demonstrated competence in work of a professional character for a period of at least five years and be recommended by three Society members. (Space for sponsors’ signatures is provided on the form below.)

Persons desiring to join the IEEE as well as the Society should apply on IEEE application forms. Former IEEE members may join the Society without rejoining the IEEE only if they have not been an IEEE member for at least five years or if their professional field of interest differs from the general interests of the IEEE.

Presently approved societies are:

STUDENT: Registered students carrying at least 30% of a normal full time program and who are interested in the Society’s field of interest. Students should apply on IEEE application forms.
