### IEEE Computer Society

**OFFICERS**
- President, E. J. McCluskey*
- Vice President Technical Activities, A. S. Hoagland
- Vice President Chapter Activities, S. S. Yau
- Senior Past Chairman, S. Levine
- Junior Past Chairman, L. C. Hobbs
- Secretary, J. H. Worthington
- Treasurer, H.Zeidler
- Conference and Meetings, C. F. Fey
- Publications, A. L. Hopkins

**BOARD OF GOVERNORS**
- Term Ending December 31, 1971
  - R. B. Arndt
  - E. I. Blumenthal
  - B. E. Briley
  - T. R. Finch
  - A. L. Hopkins
- Term Ending December 31, 1972
  - R. T. Biskely
  - C. K. Chow
  - M. J. Flynn
  - H. Freitag
  - R. A. C. Lane

**TECHNICAL COMMITTEE CHAIRMEN**
- Computer Architecture, M. J. Flynn
- Computer Communications, R. A. Keene
- Computer Elements, G. S. Mitchell
- Data Acquisition and Control, H. K. Johnson
- Design Automation, H. Freitag
- Fault-Tolerant Computing, A. Avizienis
- Management Data Applications, C. Poland
- Packaging, R. E. MacMahon
- Pattern Recognition, C. K. Chow
- Peripheral Equipment, H. Arkin
- Switching and Automata Theory, R. E. Miller

**ADHOC**
- Computer Technology Assessment, Louis Fein
- Education Committee, M. G. Smith

**STANDING COMMITTEE CHAIRMEN**
- Technical Activities, A. S. Hoagland
- Chapter Activities, S. S. Yau
- Area Committees — Midwest, B. E. Briley
- Mideastern, N. R. Kornfield
- Southwestern, S. Szyganda
- Western, L. D. Amdahl
- Awards, J. C. Logue

**IEEE COMPUTER SOCIETY**

**FORMERLY**

**IEEE COMPUTER GROUP**

### Membership Grade Requirements

**MEMBER:** A person who has demonstrated professional competence in the fields of electrical engineering, computer science, or the related arts and sciences. For admission, a candidate shall either:
1. Belong to the IEEE or to an approved Society with the grade of member or higher, or
2. Have graduated from a course of study of at least four academic years duration or its equivalent, or
3. Have demonstrated competence in work of a professional character for a period of at least five years and be recommended by three Society members. Space for sponsors’ signatures is provided on the membership application (opposite).

Persons desiring to join the IEEE as well as the Society should apply on IEEE application forms. Former IEEE members may join the Society without rejoining the IEEE only if they have not been an IEEE member for at least five years.

Presently approved societies are:
- American Institute of Aeronautics and Astronautics (AIAA)
- American Institute of Physics
- American Mathematical Society (AMS)
- American Society of Mechanical Engineers (ASME)
- Association for Computing Machinery (ACM)
- Data Processing Management Association (DPMA)
- Institution of Electrical Engineers — Great Britain (IEE)
- Instrument Society of America
- Mathematics Association of America
- National Association of Accountants
- National Simulation Council, Inc.
- Operations Research Society of America
- Society of Aircraft Mat, and Processes (SAMPE)
- Society of Automotive Engineers
- Society for Industrial and Applied Mathematics (SIAM)
- Simulations Council, Inc. (SCI)

**STUDENT:** Registered students carrying at least 30% of a normal full time program and who are interested in the Society’s field of interest. Students should apply on IEEE application forms.

**DUES:**
- Non-IEEE Members $24.00
- IEEE Members (Society only) $ 6.00
- IEEE Members (IEEE and Society) $31.00
- plus $5.00 Entrance Fee
- Student Grade (IEEE and Society): $10.00

Full rate on payments received September 1 - February 28. (Payments received September 1 - December 31, applied through December 31 following year.) One-half rate on payments received March 1 - August 31. Microfiche copies of the Transactions may be substituted at no additional cost or ordered in addition for $6.00.

The IEEE Journal of Solid State Circuits may be substituted for the Transactions or ordered in addition for $6.00.
