The gift for the man who knows everything.

The computer professional. He knows how perishable knowledge is, and the need to keep abreast of rapidly changing technology.

The computer user. He knows the value of seeing what's new, and finding answers to his specific problems.

The marketing manager. He knows the Fall Joint is this year's major national conference, and the prime environment for meeting his customers and prospects. The EDP press. Largest gathering in the field. They know how to get a peek at next year's news before it happens.

The '72 FJCC has a lot going for the people who know everything, and want to keep it that way. If you're one of them, chances are you know what's going in this business. Then you also know that your business will be going to Anaheim in December.

To the '72 FJCC. Big, bold and different. Sixty-one information-packed sessions and seminars, half of which are user oriented.

This year's largest display of computer hardware, software and services. And all right in the heart of the growing West Coast EDP market.

The men who know everything will be at the '72 FJCC. Give yourself a gift and be there too. Treat yourself and your associates to the most precious gift of all. The gift of knowledge. Send the Gift Certificate for complete registration, hotel and conference information.
