Short Courses

**Microprocessors and Digital Signal Processing**, three-day complimentary courses assuming no prior background, January 10-15, Florence, Italy.

Prof. Alan V. Oppenheim, Room 36-393, MIT, 77 Massachusetts Ave., Cambridge, MA 02139, or Prof. Vito Cappellini, Instituto di Elettronica-Ingegneria, via di S. Marta, 3, 50139 Firenze, Italy

CACI, Inc.-Commercial, 75 Rockefeller Plaza, New York, NY 10019; (212) 541-6240

The Institute for Professional Education, Suite 601, 1901 North Fort Myer Dr., Arlington, VA 22209; (703) 527-8700

**Microprocessors in Manufacturing and Industrial Control**, two-day course, and Software Development: Tools and Techniques for Microcomputers, two-day immediately following, will be held November 9-13 in Houston, Texas; November 30-December 3, Los Angeles, California; and December 7-10, Detroit, Michigan. Military and Aerospace Microprocessor Systems, two-day course, and Bit-Slice Microprocessors, PLAs and Microprogramming, two-day course immediately following, will be held November 23-26 in Montreal, Canada, and December 7-10 in Los Angeles, California. Fees: two-day course, $395; both courses, $695.

Integrated Computer Systems, Inc., P.O. Box 2368, Culver City, CA 90230; (213) 559-9265

Seminar or Computer Security, November 30-December 2, Cherry Hill, New Jersey.

Joseph R. Aicher, Mgr. of Data Systems Security, Suntech, Inc., 100 Matsonford Rd., Radnor, PA 19087

YOURDON, Inc., Suite 3830, 1133 Avenue of the Americas, New York, NY 10036; (212) 730-2675

**GPSS**, November 8-12, and SIMSCRIPT, December 6-10, Tampa, Florida. Fee: $400.

Southern Simulation Service, Inc., P.O. Box 22573, Tampa, FL 33622; (813) 839-5201

**Microcomputers and Minicomputers**, two-day course assumes no prior computing experience, November 12-13, Santa Monica, California. Fees: IEEE members, $105; IEEE student members, $50; non-members, $140.

IEEE Educational Registrar, 445 Hoes Lane, Piscataway, NJ 08854; (201) 981-0060 ext. 174

Registrar, Brandon Systems Institute, Inc., 4720 Montgomery Lane, Bethesda, MD 20014; (301) 986-8611

Extended Programs in Medical Education, University of California, 509 U, San Francisco, CA 94143; (415) 666-4251

Continuing Education in Engineering and Mathematics, Short Course, 6266 Boelter Hall, UCLA Extension, Los Angeles, CA 90024; (213) 825-1295
