*It's like adding a room to your brain!*

The System 8813 from PolyMorphic Systems is a complete, powerful problem solver in a single walnut cabinet. This machine allows you to perform complex financial, engineering, and scientific models in the comfort of your office or den.

The high speed video display presents your results in text, tables and graphics. The detachable typewriter-like keyboard permits relaxed program entry and operation. Convenient mini-discs store programs and data for compact filing, secure storage, and fast access. Our disc BASIC programming language is simple enough for the computer newcomer, yet powerful enough to amaze the most advanced users.

The whole family can immediately use and enjoy pre-programmed applications and educational packages. Let the System 8813 become your trusted business, profession, and personal tool. The PolyMorphic Disc System is a completely assembled and tested unit with brushed aluminum front panel, walnut cover, detachable keyboard, video monitor, 16K RAM. Includes system software and fully extended BASIC on disc.
