CALL FOR PAPERS
fifth joint college curricula workshop
IN COMPUTER SCIENCE,
ENGINEERING AND DATA
PROCESSING

AT THE SHERATON JETPORT INN / ORLANDO, FLORIDA / FEBRUARY 2-3, 1978

CO-SPONSORED BY: The IEEE Computer Society and The Association for Educational Data Systems
CO-CHAIRMEN: Professor David Rine, Western Illinois University, Macomb, Illinois
Professor Ralph Lee, University of Missouri, Rolla, Missouri

PRIMARY OBJECTIVE: To bring together teachers of computer science, computer engineering, and business data processing in a number of working sessions dealing with implementation of two and four-year curricula in Computer Science and Engineering and Data Processing, especially for community and junior colleges.

Short contributed papers addressing the following areas of Computer Science and Engineering and Data Processing Education will be presented and published as the proceedings of the workshop:

1. Two-year technical engineering programs in computing.
2. Two- and four-year data processing programs emphasizing engineering.
3. Information science and data processing programs.
4. The transfer of credits problem and career planning.
5. Computing laboratories in community and junior colleges.
7. Computer science, computer engineering, and data processing curricula in undergraduate two- or four-year programs.
9. Special techniques for implementing computer science, computer engineering, and data processing curricula in undergraduate programs.
10. Laboratory and project manuals used in undergraduate computer science, computer engineering, and data processing programs.
11. Demonstrations of logic and microprocessor/microcomputer laboratory materials or equipment.
12. Analyses of curricula material.
13. Special undergraduate teaching techniques.

Papers should be sent to Professor David Rine, Information Science, Western Illinois University, Macomb, Illinois 61455 or to Professor Ralph Lee, Computer Center, University of Missouri, Rolla, Missouri. Three copies of the paper should be submitted, double-spaced, 2-15 pages in length. There is a November 15, 1977 deadline on submission of papers.

PRE-REGISTRATION FEE: $35 for members of the IEEE, IEEECS or AEDS
$55 for others

A copy of the Computer Science and Engineering Model Curricula Text and a copy of the workshop proceedings will be included in the registration fee.

REGISTRATION AT WORKSHOP: $45 for members
$65 for non-members

Please send me accommodations and travel information on
the Fourth Joint College Curricula Workshop
in Computer Science and Engineering
to be held February 2-3, 1978
at the Sheraton Jetport Inn, Orlando, Florida.

Affiliation__________________________
Address__________________________

For accommodations and travel information, write:

Professor Ralph Lee,
Computer Center
University of Missouri-Rolla
Rolla, Missouri

The Sheraton Jetport Inn
Orlando, Fla.

Sheraton conference rates include airport shuttle bus and transportation to/from Disney World and Sea World.

For pre-registration, send appropriate fees to:
Harry Hayman, Exec. Secretary
IEEE Computer Society
P.O. Box 639
Silver Spring, Maryland 20901

Deadline for pre-registration is January 27, 1978.
