NCC '78 has what it takes.
Everything.

The 1978 National Computer Conference has what it takes to keep you up-to-date on the latest developments in computing and information processing. NCC '78 brings it all together in a conference of unparalleled breadth and diversity...the largest exhibit of computer products and services ever held, a major technical and professional program, a professional development series of seminars, a landmark Personal Computing Festival, featured addresses by leading industry authorities, and much more.

Mark down the time and place, June 5-8 in Anaheim, and plan now to explore new frontiers in information processing at NCC '78.

At NCC '78 you'll get a closeup look at the latest computer hardware, software, systems, and services...all under one roof at the biggest computer show on earth. More than 350 organizations, occupying over 1,300 booths, will be on hand to demonstrate their latest offerings and to discuss cost-effective solutions to your data processing problems.

And this is just one part of the picture. To meet your information needs, a technical and professional program of approximately 100 sessions will cover 25 topic areas dealing with computer methodology, applications, systems, and societal concerns. Supplementing this program will be a professional development series of 12 tutorial seminars...each available for a separate nominal fee. In addition, a special Personal Computing Festival will be held in the nearby Disneyland Hotel complex. Included will be commercial exhibits of consumer computing products; a program of papers, presentations, and tutorial sessions; and a competition featuring individually-designed microprocessor systems and applications.

Act now to make sure you're part of the year's one computer conference that has what it takes to keep you up-to-date on new frontiers in computer technology, applications, and management techniques. Return this coupon to obtain your complimentary subscription to NCC Preview—a fact-filled newsletter covering all NCC activities and events. Or, preregister now for the full conference and receive special discounts and other benefits.

☐ I wish to preregister for NCC '78, and have enclosed $60 covering conference sessions, exhibits, other activities, plus preregistration benefits.
☐ Please send me all the facts about NCC '78, including future issues of NCC Preview.
☐ My company is interested in exhibiting at the NCC '78 Personal Computing Festival.
☐ Please send me information about the NCC '78 Travel Service.
