Papers are being solicited for the Second International Conference on Computer Software and Applications—COMPSAC 78. Sponsored by the IEEE Computer Society, COMPSAC 78 will bring together computer practitioners, users, and researchers to share their ideas, experiences, and requirements for applications software, management techniques, and software development support, including automated techniques.

Papers in the following and related areas are invited:

- Software development methodology
- Software management
- Data base management systems
- Data communication and computer networking
- Transaction and information management systems
- Computerized decision-making systems
- Applications in business, communication, education, energy, government, military, process control, transportation, etc.
- Reliability and maintainability
- Case studies
- Software tools
- Mini/micro software development
- Social, legal, and regulatory issues
- Organizational impact of EDP technology
- Operating systems including distributed operating systems
- Application-oriented languages

INFORMATION FOR AUTHORS

Papers should range in length between 1000 and 5000 words.
Submission deadline: June 1, 1978. Authors will be notified of acceptance by August 1, 1978, and will be given instructions for final preparation of their papers for inclusion in the conference proceedings. Deadline for submission of camera-ready papers: September 12, 1978. Exceptionally high quality papers will be considered for publication in IEEE Transactions on Computers or IEEE Transactions on Software Engineering.

Submit papers (5 copies, double-space typing) to the program chairman:
Prof. C.V. Ramamoorthy
Dept. of EE & Computer Sciences
University of California at Berkeley
Berkeley, CA 94720

FOR ADDITIONAL INFORMATION:

Contact the general chairman:
Wallace A. Depp
Executive Director,
Processor and Computer Software Systems Division
Bell Laboratories
Naperville, IL 60540
Telephone: (312) 690-2111
