HELP BOTH YOUR SOCIETY AND THE MEMBERS OF YOUR PROFESSION

Give this special new-member offer and application blank to a colleague whom you wish to recommend for membership in your Society.

Subscribe to COMPUTER . . . AUTOMATICALLY

. . . with a membership in the IEEE Computer Society

the basic membership journal of the IEEE Computer Society — carries over 40 pages of tutorial and survey papers each month, providing lively coverage of the entire range of hardware and software design and application, with each issue focusing on a single major theme. Typical special issues zero in on such topics as Computers in Automation, Computers in Medicine, and Computer Networks.

In addition to these timely, readable technical articles, COMPUTER's regular features include

- conference and workshop reports
- book reviews
- new products and applications
- calls for papers
- Computer Society Repository — a unique microfiche and hard-copy collection of nearly 4000 papers on computer research
- Open Channel — a unique forum for gripes, new ideas, and oddball proposals
- Microsystems, a new section devoted to the low-cost yet powerful computer systems that have appeared over the last two years

SPECIAL BONUS OFFER through February 1978

Microprocessors and Microcomputers, 138 pages of selected reprints from COMPUTER, together with an introduction by our technical editor.

If you join the IEEE Computer Society between now and February 28, 1978, you will receive free this handsome 138-page volume.

* Observe half year & full year rates during periods indicated.

** If you join both the IEEE and the Computer Society, you are entitled to all IEEE benefits, including automatic subscription to SPECTRUM. Rates shown are $10 IEEE entrance fee (one time assessment) for all regions. Rates also reflect $10 per year regional assessment for Regions 1-6 (continental US) and $7 per year regional assessment for Region 7 (Canada). Members in Region 8 (Western Europe & Mid-East), 9 (Latin America), and 10 (Far East) deduct $5 from half-year rates, $10 from full-year rates. Members in Region 7 deduct $3 from half-year rates, $5 from full-year rates. ACM members deduct $2.50 from half-year rates, $5 from full-year rates.

*** ACM discount does not apply to affiliate membership, which is already discounted.
