Rates: Minimum charge—$30.00 up to 10 lines, average of six words per line; $3.00 per line thereafter. Add $5.00 for box number. Order due the first of the month prior to month of publication. Exceptions—IEEE Computer Society member ads for positions wanted: $10.00 up to 10 lines; $1.00 per line thereafter. Situations wanted ads for unemployed Society members are run free. Include IEEE member number in either case.

SOFTWARE/SYSTEM PRO SEeks NEW CHALLENGE
In 1972 Datacom called him a “software man par excellence”. Since then he has broadened his experience to include:

- Hardware and firmware product design
- Commercial system sales/marketing
- Software chairman, major trade association
- Organization of two national software Q.A. seminars
- Independent systems engineer consultant: commercial and DOD
- Systems marketing to all DOD agencies
- Publishing three major EDP market studies: DATACOMM, ATE, & 5IW
- Staffing/managing software department over 100

If you seek an aggressive, take-charge EDP/Systems heavyweight, call: Jim Stringer (609) 983-0766; or write:

Publications Box Number 10-C
Computer Magazine
5855 Naples Plaza, Suite 301
Long Beach, CA 90803

Will relocate. Salary open, above $40K. Presently employed.

COMPUTER ENGINEER
Faculty Position
Assistant Professor of Engineering
For graduate/undergraduate teaching and research. Knowledge in hardware, operating systems, software, and computer systems, including real time and applications microminibit. Recent or soon to finish Ph.D. in Computer Engineering or Computer Science. Send resume to:

Dr. N. R. Kornfield
Dean of Engineering
Widener College
Chester, PA 19013
(suburban Philadelphia)

University of California, San Diego: Applications are invited for a non-tenured faculty position in the Department of Medicine. Candidates should have a Ph.D. in Biomedical Computing or related discipline and demonstrated research interest in real time digital cardiovascular signal processing as well as experience with multi-programmed and dedicated computing systems used in the medical intensive care environment. Send resume and three references to: James W. Covell, M.D., Department of Medicine (M-013), University of California, San Diego, La Jolla, California 92033. The University of California is an equal opportunity/affirmative action employer.

University Faculty and Research Position: Applications are invited for a faculty position with the Electrical and Computer Engineering Department at Syracuse University, effective September 1, 1978 or as soon as possible thereafter. The Department offers graduate and undergraduate degree programs in both electrical and computer engineering and has active research programs. We are seeking a person with an established reputation for productive research in digital systems engineering. Ph.D. required. Send resumes to Professor Bradley J. Strait, Chairman—Electrical and Computer Engineering Department, 111 Link Hall, Syracuse University, Syracuse, N.Y., 13210. Minority and Women candidates are encouraged to apply. Application Deadline, July 1, 1978. Syracuse University is an Equal Opportunity Affirmation Action Employer.

Assistant Professor of Electrical Engineering
Applicants are sought with specialty in one of the following areas: digital communications, semiconductor devices, computer and control. A Doctorate in Electrical Engineering is required. Ability to combine teaching and research is essential. Send application and resume before August 5, 1978, to Dr. Eugene S. McVey, Dept. of Electrical Engineering, University of Virginia, Charlottesville, Va., 22901.

ENGINEERING POSITIONS
$15,000—$40,000
Openings at all locations coast to coast—all levels and disciplines. Over 1,000 firms represented. To cover ALL your immediate job possibilities in the “unpublished” market, send your resume with salary requirements now. No fee, confidential professional.

KEY SYSTEMS, NATIONAL HEADQUARTERS
New Bridge Center, Kingston, PA 18704

Contact TechnicoRosse at Booth 63 & 64 at NOC, or call 703-471-7531.

SOUTHERN ILLINOIS UNIVERSITY AT EDWARDSVILLE
Applications for an Assistant Professorship in Computer Science are invited. Duties include eight hours teaching together with productive research activity. A Ph.D. or D.Sc. in Computer Science or Mathematics is required. If the degree is designated Mathematics, transcript and dissertation must show that training is in an area of Computer Science. Send vita and references by July 15 to H. K. Wilson, Department of Mathematical Studies, Southern Illinois University-Edwardsville, Edwardsville, IL 62026. The University is an equal opportunity affirmative action employer and is sensitive to the needs of the handicapped.
