ACT NOW. PARTICIPATE. NCC '79. NEW YORK CITY, JUNE 4-7.

You can play a key role in insuring that NCC '79 is the most comprehensive computer show on earth by contributing a paper, participating on a panel or making program recommendations. The 1979 conference in New York promises to be a major attraction for computer users and professionals. But your expertise is needed!

How You Can Participate in NCC '79
- Write a paper
- Propose a technical or panel session
- Volunteer to be a panelist
- Submit ideas for topics
- Suggest special activities

The NCC program will be oriented toward commercial, and industrial users of computers in conjunction with the traditional emphasis on science and technology. Sessions will cover the four basic topic areas of management, applications, science and technology, and social implications.

Don't delay. Make sure you are a part of the big and exciting NCC '79. Deadline for submission is November 1; all participants will be notified no later than March 1, 1979.
