#1 IN RELIABILITY

When you choose Cromemco you get not only the industry's finest microcomputers but also the industry's widest microcomputer selection.

What's more, you get a computer from the manufacturer that computer dealers rate #1 in product reliability.*

Your range of choice includes our advanced System Three with up to four 8" disk drives. Or choose from the System Two and Z-2D with 5" drives. Then for ROM-based work there's the Z2. Each of these computers further offers up to 1/2 megabyte of RAM (or ROM).

We say these are the industry's most professional microcomputers because they have outstanding features like these:
- Z-80A microprocessor — operates at 250 nano second cycle time — nearly twice the speed of most others.

Fill your computer needs with the industry's most professional microcomputers

Up to 512 kilobytes of RAM and 1 megabyte of disk storage

- 30-amp power supply — more than adequate for your most demanding application.
- 21 card slots to allow for unparalleled system expansion using industry-standard S-100 cards.
- S-100 bus — don't overlook how important this is. It has the industry's widest support and Cromemco has professionally implemented it in a fully-shielded design.

- Cromemco card support of more than a dozen circuit cards for process control, business systems, and data acquisition including cards for A-D and D-A conversion, for interfacing daisy-wheel or dot-matrix printers, even a card for programming PROMs.
- The industry's most professional software support, including COBOL, FORTRAN IV, 16K Disk-Extended BASIC, Z-80 Macro Assembler, Cromemco Multi-User Operating System — and more coming.
- Rugged, professional all-metal construction for rack (or bench or floor cabinet) mounting. Cabinets available.

FOR TODAY AND TOMORROW

Cromemco computers will meet your needs now and in the future because of their unquestioned technical leadership, professionalism and enormous expandability.

See them today at your dealer. There's no substitute for getting the best.
