1979–1980
IEEE COMPUTER SOCIETY
SCHOLARSHIPS
FOR MEMBERS OF STUDENT BRANCH
CHAPTERS OF THE COMPUTER SOCIETY

COMPUTER SOCIETY STUDENT BRANCH CHAPTERS are technical subunits of IEEE
Student Branches. They are established by petition of those student members who desire to be
involved in specialized activities in the computer field. For more information on establishing a
Student Branch Chapter write to: Manager for Student Services, IEEE, 345 East 47th Street,
N.Y., N.Y. 10017.

Three $2,000 scholarships will be available for the 1979–1980 academic year to
eligible undergraduate or graduate Computer Society student members who have
also participated in Student Branch Chapter activities.

DEADLINE: MARCH 1, 1979

As an added benefit of participation in Student Branch Chapter activities the
Computer Society has established one scholarship in the amount of $2,000 per
each ten Computer Society Student Branch Chapters or fraction thereof.

WHY?

To recognize IEEE Computer Society student members who belong to Student Branch Chapters,
participate in Chapter activities, and show promise in their academic and professional efforts.

HOW MUCH?

The amount of each award will be $2,000 for one academic (9 months) year starting in Septem-
ber and paid in three equal quarterly installments (September, January, April).

WHO IS ELIGIBLE?

Graduate and undergraduate students enrolled in a four-year degree oriented curriculum in electrical engineering, computer engineering, computer science, or well-defined computer related
field of engineering (e.g., biomedical computer engineering, design automation, etc.) who are
active members of a Computer Society Student Branch Chapter in an accredited institution are
eligible. There are no restrictions on the receipt of other scholarships or awards in conjunction
with receiving this scholarship. Minimum overall grade point average should be 2.5 over 4.0 or
equivalent after at least two years of course work towards a baccalaureate degree. The student
is expected to be enrolled as a full-time student as defined by the corresponding academic insti-
tution during the course of the award.

WHAT ARE THE DEADLINES FOR THE SCHOLARSHIP?

The scholarships will be awarded annually for at least the next two academic years with a post-
mark deadline of no later than March 1 of each year for the completed application. An applica-
tion form with instructions and requesting supporting documents appears on the back of this
page. It should be submitted to the Student Branch Chapter Advisor with enough time for him
to add a personal letter of evaluation and to mail it by March 1. The application must include:
1) statement of student’s involvement in chapter activities (counts 40%), 2) statement of inten-
tion to continue present field of study on a full time basis, 3) copy of official transcript(s)
showing academic achievement (counts 30%), 4) summary of other extracurricular activities
while in college (counts 10%), 5) a letter of evaluation by the chapter advisor (counts 20%).

The results of the competition will be announced by May 1, 1979 and the recipients will receive
the first of three equal installments by September 1, 1979, the second by January 1, 1980 and
the third by April 1, 1980 while a full time student in good standing. A brief statement will be
submitted by the student at the end of the academic year outlining his or her accomplishments.
### IEEE COMPUTER SOCIETY
### APPLICATION FOR COMPUTER SOCIETY STUDENT SCHOLARSHIP

To be filled by student and submitted to IEEE Computer Society Branch Chapter Advisor
(Additional pages may be included if necessary.) See information on back of this page.

**Information about the Student:**
- Program or Department in which enrolled:
- Name of the four year institution:
- Address of four year institution:
- Name and address of IEEE C.S. Branch Chapter Advisor:
  - Telephone:
- Statement by the student about his/her involvement in Chapter activities, operations or projects.

**Statement by the student about his/her intention to continue the present field of study on a full time basis.**

**Student's overall grade point average** over 

**Number of credit hours applied towards degree**

| 2) Copy of official transcript(s) should be attached to application. |
| 3) Brief summary of other extracurricular activities participated in during years in college. |

To the best of my knowledge all information provided above is accurate and correct.

Signature of Student Member

| 4) Submit this application to the Chapter Advisor who will send it *with a personal letter of evaluation* by March 1 to: Chairman, Student Activities Committee IEEE Computer Society P.O. Box 639 Silver Springs, MD 20901 Phone (301) 439-7007 |
