Call for Papers

The Third Annual Symposium on

Computer Applications in Medical Care

October 14-17, 1979  Washington, D.C.

The Third Annual Symposium on Computer Applications in Medical Care is designed to inform physicians, health care administrators, biomedical scientists and health care professionals about current and potential applications of computer technology to health care and to identify areas of future research and development that need to be addressed.

PAPERS are solicited from both the medical and computer science perspectives of the following topics:

- Microcomputers in Medical Instrumentation
- Imaging with Nonionizing Radiation
- Prosthetic and Orthotic Devices
- Medical Education of Physicians, Patients and Others
- Hospital Information Systems
- Computer Support for Physician Office Practice
- Interactive Medical Questionnaires
- Clinical Laboratory Testing in Office and Hospital
- Medical Decision Making
- Artificial Intelligence in Medicine
- Modeling of Medical Systems
- Physiological Signal Acquisition and Analysis
- Cost Benefit Analysis
- Evaluation of Operational Impact
- Regulation, Privacy, and Security of Patient Information

Papers accepted will be reviewed and published in the Proceedings of the Symposium.

Submission Procedures and Dates:

May 10, 1979  Submission of three copies of a one-page ABSTRACT that outlines a twenty-minute presentation. The abstract should clearly state: the purpose of the work, its relevance in medical care and specific results. Additional supporting material (for review purposes only) may be submitted at the discretion of the author(s). Please indicate on the bottom of the abstract your preference for method of presentation:
(1) Oral Presentation only,
(2) Presentation by Poster and/or Demonstration only,
(3) Either.

All material should be sent to the Program Chairwoman: Rosalie A. Dunn, Ph.D., Office of Statistical Research, National Center for Health Statistics, Center Building, Room 2-12, 3700 East-West Highway, Hyattsville, MD 20782. Telephone (301) 436-7138.

June 15, 1979  Notification of acceptance and receipt of an AUTHOR'S KIT.

August 15, 1979  Submission of final, camera-ready MANUSCRIPT for the Proceedings. The Proceedings will be available at the meeting.

Inquiries regarding EXHIBITS should be directed to the Exhibit Chairman: Michael J. Ackerman, Ph.D., Naval Medical Research Institute, Bethesda, MD 20014. Telephone (202) 295-0110.
