COMPUTER PROFESSIONALS:
can you afford not to invest $28 in your professional career?

If you design computer hardware, software, systems...
if you use computers in your work...
if you need to know where computer technology is today and where it is likely to be 5 years from now...
you need the IEEE Computer Society.

- automatic subscription to COMPUTER—the leading professional journal in the computer engineering field
- low-cost member subscriptions to the highly respected IEEE Transactions on Computers, IEEE Transactions on Software Engineering, and IEEE Transactions on Pattern Analysis and Machine Intelligence
- price discounts on over 250 conference proceedings and tutorial texts
- price discounts on over 40 conferences and tutorials per year
- opportunity to participate in local chapter activities (over 80 chapters worldwide)

SPECIAL INTRODUCTORY OFFER:
Join now and receive a free copy of either one of the following:

Proceedings of the 1979 Conference on Specifications of Reliable Software (see details elsewhere in this brochure).
Regular nonmember price: $20

Microprocessors & Microcomputers—selected papers from COMPUTER, organized and introduced by the technical editor (see details elsewhere in this brochure).
Regular nonmember price: $12

1. To receive your free publication, YOU MUST MAIL YOUR COMPLETED APPLICATION TO THE IEEE Computer Society, 5855 Naples Plaza, Long Beach, CA 90803.

2. Supplies are limited. We reserve the right to substitute titles of comparably priced publications.

Use the numbers to identify your plant activity and your own work. If more than one activity is involved, use the code number for the most prevalent. Note: if you select “other” for work and plant code or “other personnel” for job function code, be sure to explain on the lines provided.

WORK AND PLANT (Enter codes)

Plant activity — Your own work —

1. Large computers
2. Mini-computers
3. Microcomputers
4. Computer peripheral equipment
5. Data processing systems (system integration)
6. Office and business machines
7. Test, measurement, and instrument-itation equipment
8. Communications systems and equipment
9. Navigation and guidance systems and equipment
10. Consumer entertainment electronic equipment

11. Consumer electronic appliances
12. Other consumer electronics
13. Industrial controls, systems, and equipment
14. Components and subassemblies
15. Materials and hardware
16. Aircraft, missiles, space and ground support equipment
17. Oceanography and support equipment
18. Medical electronics
19. Industrial companies within OEM incorporating electronic equipment in their end product, not elsewhere classified
20. Independent research, test, and design laboratory and consultant (only if you are not connected with a manufacturing company)

PUBLICATION OPTIONS

If, in addition to your automatic subscription to COMPUTER Magazine, you would also like to receive:

- Transactions on Computers (1161) $6.00 $3.00
- Transactions on Software Engineering (1171) $6.00 $3.00
- Transactions on Pattern Analysis & Machine Intelligence (1351) $4.00 $2.00
- Journal of Solid State Circuits (4101) $6.00 $3.00
- Journal of Oceanic Engineering (4201) $4.00 $2.00
- Proceedings of the IEEE (5011) $10.00 $5.00

** If you join both IEEE and the Computer Society, you are entitled to all IEEE benefits, including automatic subscription to COMPUTER. Rates shown reflect 10% IEEE entrance fee (one-time assessment) for all regions. Rates also reflect 10% per year regional assessment for Regions 1-6 (continental U.S.). There is a $7 per year regional assessment for Region 7 (Canada). Members in Region 8 (Western Europe & Mid-East), 9 (Latin America), & 10 (Far East) deduct $5 from half-year rates, $10 from full-year rates. Member in Region 7 deduct $1.50 from half-year rates, $3 from full-year rates. ACM members deduct $7.50 from half-year rates, $5 from full-year rates.

** ACM discount does not apply to affiliate membership, which is already discounted.

Hardcopy bulk air option for members in Regions 8-10

Add the following amount(s) for 1-week delivery for Computer, 2 to 6 week delivery for Transactions.

Computer (including Computer, Computer,"Western Europe, Latin America, & the Far East"
