Four $3,000 scholarships are available for the 1981-1982 academic year to eligible undergraduate or graduate Computer Society student members who are active leaders in Student Branch Chapters. These scholarships are one of the several ways that the Computer Society supports the growth and development of Student Branch Chapters.

**DEADLINE: MARCH 15, 1981**

**WHY?**
To recognize and reward students who are active leaders in their IEEE Computer Society Student Branch Chapters and show promise in their academic and professional efforts.

**HOW MUCH?**
The amount of each award is $3,000 for one academic (9 months) year starting in September and paid in three quarterly installments (September, January, and April).

**WHO IS ELIGIBLE?**
Graduate students, Juniors and Seniors in electrical engineering, computer engineering, computer science, or well-defined computer related field of engineering (e.g., biomedical computer engineering, design automation, etc.) who are active members of the Computer Society Student Branch Chapter at their institution are eligible. There are no restrictions on the receipt of other scholarships or awards in conjunction with receiving this scholarship. Minimum overall grade point average should be 2.5 over 4.0 for all undergraduate course work. The applicant must be enrolled as a full-time student as defined by his or her academic institution during the course of the award.

**HOW TO APPLY**
The application form appears on the back of this page. Complete the form carefully and submit it, together with an official transcript of all of your course work, to your Chapter Advisor, who will mail these materials along with a personal letter of evaluation. The postmark deadline is March 15, 1981. Judging will be done by a broad-based panel of active Computer Society members. The primary factors considered are: involvement in Chapter activities (counts 40%), academic achievement (counts 30%), other extracurricular activities in college (counts 10%), and letter of evaluation by Branch Chapter Advisor (counts 20%).

The results of the competition will be announced by May 15, 1981 and the recipients will receive the first of three equal installments by September 1, 1981, the second by January 1, 1982, and the third by April 1, 1982 while a full-time student in good standing. A brief statement will be submitted by each winner at the end of the academic year outlining his or her accomplishments.
IEEE COMPUTER SOCIETY
Application for Computer Society Student Scholarship

Please type or write plainly in black ink. (One additional page may be included if necessary.)
Submit this application and official transcripts of all your course work to your Chapter Advisor who will send it with a personal letter of evaluation by March 15 to:

Executive Secretary
IEEE Computer Society
P.O. Box 639
Silver Springs, MD 20901
Phone (301) 589-3386

1) Name: ____________________________ Date ____________________________
Permanent Mailing Address ____________________________
Current Telephone ____________________________
Academic department or program: ____________________________
Name and address of institution: ____________________________
Name of your Computer Society Branch Chapter Advisor: ____________________________

2) Statement of your involvement in Computer Society Chapter activities, operations or projects. (Do not include IEEE Student Branch or non-Chapter-related activities here.)

3) Statement of your intention to continue the present field of study on a full-time basis.

4) Your overall grade point average ______ out of a possible ______.
   Number of credit hours applied toward degree ______.
   Number required for degree ______.

5) Brief summary of other extracurricular activities participated in during years in college (school, civic, sports, hobby, or other).

To the best of my knowledge all information provided above is accurate and correct. ____________________________
