CALL FOR PAPERS

Calls are listed according to submission deadlines. Conferences in which the Computer Society is a sponsor or participant are indicated by the IEEE Computer Society logo; others of interest to our readers are also included. Submit information six weeks before the month of publication—e.g., for the November 1981 issue, send information for receipt by September 15, 1981—to COMPUTER, 10662 Los Vaqueros Circle, Los Alamitos, CA 90720.

IEEE Transactions on Pattern Analysis and Machine Intelligence will publish a special issue on exploratory pattern analysis in November 1982. Submit four copies of manuscript (see January 1980 issue of IEEE PAMI) for information for authors by October 1, 1981, to A. K. Jain or R. C. Dubes, Dept. of Computer Science, Michigan State University, East Lansing, MI 48824.

Fifth International Symposium on Programming: April 6-8, 1982, Torino, Italy. Submit a one-page abstract and a 12-page first draft by October 15, 1981, to S. Ronchi, IISI, C.M. D'Azeglio 42, 10125 Torino, Italy.

Canadian Conference on Industrial Computer Systems: May 3-5, 1982, Hamilton, Canada. Send a brief abstract by November 1, 1981, to Dr. J. D. Wright, Xerox Research Center of Canada, 2660 Speakman Dr., Mississauga, Ontario L5K 2L1, Canada; (416) 863-7091.

Ninth Annual International Symposium on Computer Architecture: April 26-29, 1982, Austin, Texas. Submit paper by November 1, 1981, to Prof. Miroslaw Malek, Dept. of EE, PO Box 7728, University of Texas, Austin, TX 78712.

Second International Conference on Databases: Improving Usability and Responsiveness: June 22-24, 1982, Jerusalem, Israel. Send five copies of paper (maximum 5000 words) by November 1, 1981, to P. Scheuermann, Dept. of Electrical Engineering and Computer Science, Northwestern University, Evanston, IL 60201.

American Society for Engineering Education Annual Conference: June 20-24, 1982, College Station, Texas. Papers are solicited for the Computers in Education Division program. Send two copies of a full paper or a 300- to 500-word summary by November 2, 1981, to Prof. Dean K. Frederick, Electrical, Computer & Systems Engineering Dept., Rensselaer Polytechnic Institute, Troy, NY 12181.

ICISA—International Conference on Information Systems Auditing: June 16-18, 1982, Milano, Italy. Send three copies of long paper (6000 words) or short paper (3000 words), with author's name on cover page only, by November 15, 1981, to Giorgio Caldara, Sperry Univac. Via Pola 9, 20124 Milano, Italy.
Distributed Computerized Picture Information Systems for Medical Applications: January 18-21, 1982, Newport Beach, California. Send author's application, four copies of brief biography, and four copies of a one-paragraph abstract by November 16, 1981, to Technical Programs Committee, SPIE National Offices, PO Box 10, Bellingham, WA 98227; (206) 676-3290.

Coling 82, The Ninth Conference on Computational Linguistics: July 5-10, 1982, Prague, Czechoslovakia. Send summary by December 1, 1981, to Coling 82, MFF UK, Linguistics, Malostranské n. 25, 118 00 Prague 1, Czechoslovakia.

1982 ACM Computer Science Conference: February 9-11, 1982, Indianapolis, Indiana. Abstracts in special format are required by December 1, 1981. For specific instructions, see ad this issue, pp. 136-139.

Sixth European Meeting on Cybernetics and Systems Research: April 13-16, 1982, Vienna, Austria. Send three copies of an extended abstract (600-1200 words) by December 1, 1981, to Organizing Committee, Sixth European Meeting on Cybernetics and Systems Research 1982, c/o Österreichische Studiengesellschaft für Kybernetik, Schottengasse 3, A-1010 Vienna 1, Austria.

IEEE Transactions on Computers is planning a special issue on parallel and distributed processing for December 1982. Papers are solicited on all aspects of parallel and distributed processing, including logic circuits, architectures, interconnections, fault tolerance, languages and compilers, operating systems, data bases, numerical and non-numerical algorithms, performance studies, and relevant VLSI technology. Submit five copies of manuscript by January 1, 1982, to Guest Editors Prof. Ming-T. Liu or Prof. Jerome Rothstein, Dept. of Computer and Information Science, The Ohio State University, 2036 Neil Ave., Columbus, OH 43210; (614) 422-1837 or 422-7027.

Sixth International Conference on Pattern Recognition: October 19-22, 1982, Munich, Germany. Submit four copies of a draft of a full-length paper in English by February 1, 1982, to Prof. Dr. H. Niemann, Lehrstuhl für Informatik 5 der Universität Erlangen-Nürnberg, Martenstr. 3, 8520 Erlangen, Federal Republic of Germany.

The editors have gathered 64 of the finest papers on distributed processing for reprint in this volume. The first chapter is a general overview of the field; it is followed by chapters on technology, communications, intelligent terminals, networks, multiprocessor systems, and data bases. Each chapter has an introduction by either Liebowitz or Carson that gives an overview of the topic. 640 pp.

Order #363
TUTORIAL—DISTRIBUTED PROCESSING
Edited by Burt H. Liebowitz and John H. Carson

Members—$18.75 Non-members—$25.00

Use order form on p. 152C.

COMPUTER SYSTEM
ARCHITECTS AND
ENGINEERS

Join Our Advanced Development Team

The advanced development department of Three Rivers Computer is a small, fast paced team formed to develop second generation scientific personal computer systems building upon the success of Three Rivers' PERQ product line.

We are searching for SENIOR COMPUTER ARCHITECTS and ENGINEERS, both Hardware and Software, who have interests in microprogrammable CPU's, computer graphics, artificial intelligence, local networking and office automation as well as custom and semicustom LSI design, CAD tools development, operating systems and programming environments.

Three Rivers can offer you an outstanding opportunity to have a major influence in an innovative product development cycle. Competitive salaries, excellent benefits and a pleasant working environment are only a part of the package we can offer you.

If you have an M.S., a Ph.D. and/or equivalent experience, please send resume with salary history, or call: (412) 621-6250.
