You are looking at the third good reason to join LINKABIT.

**№ 1: Career Enhancement:**
At LINKABIT you'll find all the ingredients you need to develop a great career — state-of-the-art technology, rapid growth, and a supportive, challenging work environment.
LINKABIT was formed in 1968 to apply advanced communication theory, computer science and digital technology to the conception, development and manufacture of state-of-the-art communication systems and devices. We have averaged an annual increase in sales of over 50% since our formation, and today our reputation for completing programs on time, on budget and within or exceeding specification has earned us an enviable reputation.

**№ 2: Our Future:**
Our future depends on the creative application of our unique capabilities to the requirements of our customers. As our programs grow and become even more comprehensive, they will challenge the talent, skill and ability of our present staff members and those who join us in the coming months. We invite you to be one of them.

**№ 3:**
**San Diego Living:**
This is an ideal place to work and play. The UCSD and San Diego State University campuses are minutes away from our new headquarters at Torrey Pines, La Jolla. San Diego's 70 miles of beaches and coves are within easy access year-round, and cosmopolitan downtown San Diego offers nationally renowned opera, symphony and theatre, all the major league sports and great dining and shopping.

Opportunities typically exist in:
- Software/Hardware Development
- Communications System Design
- RF & Analog Systems Development
- Thermal & Package Engineering
- Software/Hardware Architecture & Design
- Computer Support Systems Development
- Project Engineering
- Program Management

For information about these San Diego openings and openings in our new Washington, D.C. area facility contact Elaine Rigo, Dept. CP or call (714) 453-7007.
