ANOTHER GOOD REASON TO JOIN ACM:
COMPUTING SURVEYS

Nearly two-thirds of our members subscribe to Computing Surveys because it's the best tutorial and survey publication in the field. In this age of specialization, it becomes more and more difficult for the computing professional, experienced or novice, to keep up with major developments. Computing Surveys fills the gaps, providing in-depth tutorials on the state-of-the-art in emerging areas of our rapidly expanding field. Computing Surveys contains comprehensive articles with broadly based appeal. As a member you can subscribe to Computing Surveys for only $10 while nonmembers pay $40. So for $50 you can join ACM, receive our monthly flagship publication Communications of the ACM, and also receive Computing Surveys.

Mail in this application and you'll receive, as a bonus, our 152 page special issue of Computing Surveys on Database Management Systems, which sells separately for $12.00.

Use your name and address. Circle the appropriate dues and rates for any additional subscriptions or Special Interest Group memberships (SIG membership includes a Newsletter subscription). Add all your circled amounts and enter this amount in the TOTAL box.

---

**MEMBER CLASSES**

**Voting Member:** You must subscribe to the purposes of ACM, a) have attained professional stature as demonstrated by intellectual competence and ethical conduct in the arts and sciences of information processing and associated fields, and c) have earned a Bachelor's Degree or academic equivalent, or have 4 years full time experience in information processing. A Voting Member may vote and hold office in ACM.

**Associate Member:** You must subscribe to the purposes of ACM. Associate Members have the same privileges and benefits as Voting Members except the right to vote and hold office.

**Student Member:** You must be registered in an accredited educational institution on a full-time basis.

**DUES:** Circle appropriate dues

**CERTIFICATION:** Fill in if applicable.

**Voting Member Applicants:** You must satisfy at least one of the following requirements and sign below.

1. Bachelor's Degree. Institution: ______

2. Equivalent level of education. Institution: ______

3. Four full time years of experience (attach statement)

I attest the above is correct ______

**Student Member Applicants:** Your Faculty Advisor must certify your full-time status.

**EDUCATIONAL INSTITUTION**

**FACULTY ADVISOR'S SIGNATURE**

**DATE**

**Joint Membership Applicants:** You must indicate your affiliation, member # and sign below. Only one discount is permitted

**PURPOSES OF ACM & SIGNATURE**

1. To advance the sciences and arts of information processing including, but not limited to, the study, design, development, construction, and application of modern technology, computing techniques and appropriate languages for general information processing, storage, retrieval, transmission/communication, and processing of data of all kinds, and for the automatic control and simulation of processes.

2. To promote the free interchange of information about the sciences and arts of information processing among specialists and the public in the best scientific and professional traditions.

3. To develop and maintain the integrity and competence of individuals engaged in the practice of information processing.

I hereby affirm that I subscribe to the purposes of ACM (as indicated above) and understand that my membership is not transferable. I enclose a check, bank draft or money order in the full amount.

**SIGNATURE**

**DATE**

**Total Amount:** $ (Use to determine your financial burden.)

**Notes For Overseas Members:** If you'd like to join ACM please write ACM Headquarters for an Overseas Membership Application. Mention this issue of Computer and you'll still receive a free book.
