CALL FOR PAPERS
Twenty-Sixth International Symposium
APPLICATIONS OF MICROCOMPUTERS
New York, October 22 - 24, 1984

SPONSOR
The International Society for Mini and Microcomputers - ISMM.

LOCATION
New York Statler, New York, U.S.A.

SCOPE
- Engineering (all areas)
  Aeronautical
  Agricultural
  Chemical
  Civil
  Electrical
  Industrial
  Mechanical
  Nuclear
- Signal processing
- Communication
- Robotics
- Business
- Banking
- Management
- Operations research
- Bioengineering
- Image processing
- Networks
- Modelling
- Simulation
- Forecasting
- Education
- Graphics
- Others

CATEGORIES OF PAPERS

ABSTRACTS
Three copies of a 200 word abstract should be received by June 15, 1984. Notification will be mailed July 2, 1984. The full manuscripts are due October 1, 1984 for publication in the proceedings. All papers shall be reviewed for possible publication in the ISMM Journal Microcomputer Applications.

INTERNATIONAL PROGRAM COMMITTEE
T. Aykin, U.S.A.
A. Bladikas, U.S.A.
Y.Z. Efe, U.S.A.
M.H. Hamza, Canada
M. Karamouz, U.S.A.
B. Nneji, U.S.A.

ADDRESS
For submission of abstracts and to be placed on the mailing list: Dr. C. Yapijakis (ISMM Symposium), School of Engineering, Pratt Institute, Brooklyn, New York, 11205, U.S.A. Tel: (212) 636-3461

Twenty-Seventh International Symposium
MICROCOMPUTER APPLICATIONS IN MEDICINE AND BIOENGINEERING
New York, October 22 - 24, 1984

SPONSOR
The International Society for Mini and Microcomputers — ISMM.

LOCATION
New York Statler, New York, U.S.A.

SCOPE
- Aid for the Handicapped
- Bioengineering
- Biology
- Biomechanics
- Cardiology
- Data Bases
- ECG
- Education
- Hardware for Medicine
- Health Care
- Hospital Information Systems
- Image Processing
- Instrumentation
- Medical Care
- Medical Decision Making
- Medical Information Systems
- Modelling
- Pattern Recognition
- Privacy
- Radiology
- Rehabilitation Engineering
- Security
- Signal Processing
- Simulation
- Software for Medical Applications
- Others
