Albert Ct., Prince Consort Rd., London SW7 2BH, UK. Workshop limited to 30 people.

1986 ACM Sigpkr International Conference on New Careers in Computing: October 16-17, 1986, Calgary, Alberta, Canada. Technical, survey, and position papers are sought. Send two copies of the complete paper (including abstract) by June 2, 1986, to Raymond McLeod, Jr., Dept. of Business Analysis and Research, College of Business Administration, Texas A&M University, College Station, TX 77843.

IEEE Expert: Articles are solicited for a special issue on building intelligence into the software life cycle. The topic includes AI techniques and tools for developing and maintaining software systems, and software project management. Submitted materials typically (1) range from 15 to 30 double-spaced, typewritten pages (those at the lower end of this page budget are preferred); (2) have 1/4-inch margins; and (3) have no more than 10 references. Submit six copies of the article by June 15, 1986, to Joseph E. Urban, Center for Advanced Computer Studies, University of Southwestern Louisiana, PO Box 44330, Lafayette, LA 70504; (318) 231-6304.

IEEE Micro: Articles are solicited for a special issue on multiprocessing that is scheduled for publication in October 1986. Submit them by June 15, 1986, to James J. Farrell III, VLSI Technology, Inc., 10220 S. 51st St., Phoenix, AZ 85044. Author guidelines may be obtained from James Farrell or from the IEEE Computer Society West Coast Office, 10662 Los Vaqueros Circle, Los Alamitos, CA 90720-2578; (714) 621-8380.

Joint Conference: Melecon 87, Mediterranean Electrotechnical Conference, and 34th Congress on Electronics (IEEE, RIENA); March 24-26, 1987, Rome, Italy. Submit three copies of a 200-word abstract by June 15, 1986, to Melecon 87 and 34th Congress on Electronics, Secretariat, c/o RIENA, Via Crescenzio 9, 00193 Rome, Italy. The IEEE Region 8 student paper contest will be held during the conference.

Computers, International Conference on VLSI and Computers: May 11-15, 1987, Hamburg, West Germany. Submit summaries (100 words maximum) by July 1, 1986, to W. E. Proebster, c/o IBM, PO Box 80 08 80, D-7000 Stuttgart 80, West Germany.

Fifth International Modal Analysis Conference: April 6-9, 1987, London, England. Send an abstract (200 words maximum) and a submission form (available from the Graduate and Continuing Studies Office) by July 1, 1986, to Dominick J. DeMichele, Union College, Graduate & Continuing Studies, Wells House, 1 Union Ave., Schenectady, NY 12308-2363; (518) 370-6288.
