CALL FOR PAPERS

You are invited to submit a technical paper for presentation at the 1988 Computer Networking Symposium Sponsored by the Computer Society of the IEEE Technical Committee on Computer Communications.

The theme of the upcoming symposium is “Integrated Networking and Open Architecture.” The symposium will highlight papers dealing with topics related to the design, modeling, protocols, performance, and implementation of current and soon to be available network systems.

All papers will be reviewed by the Program Committee and authors of accepted papers are expected to present them on April 12-13, 1988 at the conference in Washington, D.C. Papers accepted for presentation will be published in the Symposium Proceedings, and selected papers will be published in a special issue of the Network Magazine sponsored by the Computer Society of the IEEE.

Topics of Interest include, but are not limited to:

- Integrated Networking
- Protocols
- Wide Area Networks
- OSI/Standards
- Metropolitan Area Networks
- Performance
- Local Area Networks
- Measurements
- Internetworking
- Testing/Verification
- Security/Management

Author's Schedule

- September 15, 1987 for Papers: Submit 4 copies of your paper or a 1,000 word extended abstract to Dr. Jeffrey Jaffe
- IBM Research Center
- P.O. Box 704
- Yorktown Heights, N.Y. 10598
- November 30, 1987: Notification of provisional acceptance
- December 31, 1987: Papers due in final form
- April 12-13, 1988: Presentation at the Symposium
