CALL FOR PAPERS

1988 IEEE Symposium on Security and Privacy
April 18-21, 1988
Oakland, California

The symposium will address advances in the design, implementation, evaluation, and application of secure computer systems. Privacy issues will also be addressed. Papers and panel session proposals are solicited in the following areas:

- Operating System Security
- Network Security
- Database Security
- Formal Security Models
- Authentication
- Applications of Cryptography
- Privacy Issues
- Cryptographic Protocols
- Security Testing & Evaluation

Papers of exceptional interest and merit will be selected for publication in a special issue of IEEE Transactions on Software Engineering.

For further information concerning the symposium, contact:

Dave Bailey, General Chairperson
US Department of Energy
Production Operations Division / CIM Office
P. O. Box 5400
Albuquerque, NM 87115
(505) 846-4600 or db%sa@lanl.gov

Terry V. Benz, Vice Chairperson
The Mitre Corporation
Burlington Road
Bedford, MA 01730
(617) 271-3295 or tcvb@mitre-bedford.arpa

The Program Co-Chairpersons are:

Steve Lipner
Digital Equipment Corporation
MS: LTN 2-2/108
305 Foster Street
Littleton, MA 01460
(617) 486-6088 or lipner%ultra.dec@decwrl.dec.com

Tom Berson
Anagram Laboratories
P. O. Box 791
Palo Alto, CA 94301
(415) 324-0100 or berson@kl.sri.com

Program Committee

| Jim Anderson, James P. Anderson Co. | Deborah Estrin, USC |
| Vickie Baxter, Hughes | Fred Grammp, Bell Laboratories |
| Terry V. Benz, MITRE | Paul Karger, Digital Equipment Corp. |
| Earl Boevert, Honeywell | Dick Kemmerer, UCSB |
| Debbie Cooper, Unisys | Steve Kent, BBN |
| Paul Cudney, Unisys | Stan Kurzban, IBM |
| Nigel Day, TopExpress, Ltd. | Steve LaFountain, NCSC |
| Carl Landwehr, NRL |
| Teresa Lunt, SRI |
| Cathy Meadows, NRL |
| Dan Nessett, LLNL |
| Marv Schaefer, Trusted Information Systems |
| Dan Schnackenberg, Boeing |
| Mario Tinto, NCSC |

Send 5 copies of paper, extended abstract (at least 2000 words), or panel proposal by November 27, 1987, to Steve Lipner at the address above. Authors will be notified of acceptance by January 22, 1988.

FINAL PAPERS ARE DUE NO LATER THAN FEBRUARY 22, 1988.
