CALL FOR PAPERS

Call for referees for Computer

Referees are sought for special issues of *Computer* that will cover the following topics:

- laser communication technology and systems
- computer-integrated manufacturing
- national computer policies—the computer industry in an international context
- innovative printer technology
- storage technology
- concurrent systems: the hardware, production, maintenance, and software issues
- emerging technologies for computer component, hardware, and software design and production
- high-performance CAD/CAM, engineering/scientific, and programming workstations
- computers in automobiles
- computers in the entertainment and advertising industries
- real-time systems
- Videotext—has the vision failed?

Persons interested in serving as referees are asked to circle Reader Service Number 195 on the Reader Service Card at the back of this magazine and to send the card to the Reader Service Inquiries Dept.

*IEEE Expert* is seeking materials for publication. Articles on technology and AI applications should be submitted to David Pessel, Editor-in-Chief, BP America, 4440 Warrensville Center Rd., Cleveland, OH 44128. Conference coverage, short subjects and papers on PCs, products, and resources should be sent to Henry Aylng, Managing Editor, *IEEE Expert*, 10662 Los Vaqueros Cir., Los Alamitos, CA 90720. Book reviews should be addressed to K. S. Shankar, Associate Editor, Federal Systems Division, IBM Corp., 3700 Bay Area Blvd., Houston, TX 77058.

*Artificial Intelligence and Education:* This journal seeks both articles and proposals for issues devoted to specific topics. Authors in the US and Far East should contact Elliott Soloway, Dept. of Computer Science, Yale University, New Haven, CT 06520. Those in Europe should contact Masoud Yazdani, Dept. of Computer Science, Prince of Wales Rd., University of Exeter, Exeter EX4 4PT, England, UK.

*Computer Society of the IEEE Technical Committee on Computer Education:* Contributions up to five typewritten pages are welcomed for the TCCE newsletter, a forum for the exchange of ideas among persons interested in computer education or computers in education. News items, short articles, and correspondence should be sent to Helen Hays, Dept. of Computer Science, Southeast Missouri State University, Cape Girardeau, MO 63701; (314) 651-2244.

*International Journal for Artificial Intelligence in Engineering:* Papers are sought on research and development leading to problem-solving strategies. For information and submission requirements, contact D. Sriram, Dept. of Civil Engineering, Carnegie Mellon University, Pittsburgh, PA 15213, or K. J. MacCallum, Dept. of Ship and Marine Technology, Marine Technology Center, 100 Montrose St., Glasgow, Scotland, UK.

*International Journal of Pattern Recognition and Artificial Intelligence:* Submit four copies of manuscripts to H. Bunke, Universität Bern, Institut fur Informatik und Angewandte Mathematik, Langwasserstrasse 51, CH-3012 Bern, Switzerland, or Patrick Wang, College of Computer Science, Northeastern University, 360 Huntington Ave., Boston, MA 02115; (617) 457-3711.

*International Journal of Computer Applications in Technology* begins publication in Spring 1988. Papers are sought for this UNESCO-supported journal. Send three copies of papers to M.A. Dorgah, The Open University, Milton Keynes, MK7 6AA, England, UK; phone (44) 09-08-653945.

*IEEE Software:* Articles are sought for the special July 1988 issue on fourth-generation languages. Eight copies of manuscripts are due by Dec. 1, 1987. Contact Ted G. Lewis, editor-in-chief, *IEEE Software*, c/o Computer Science Dept., Oregon State University, Corvallis, OR 97331; (503) 754-2744; CSnet lewis@oregon-state; CompuMail + t.lewis.

*IEEE Expert:* Articles are sought for a special issue on artificial intelligence research and development for the government. Six copies of papers are due by Dec. 1, 1987 addressed to Jude Franklin, MS 554, 1500 Planning Research Dr., McLean, VA 22102; (703) 556-1996; or Kamal Karna, Computer Communications & Graphics, 823
IEEE International Symposium on Information Theory: June 19-24, 1988, Kobe, Japan. Papers suitable for 20-minute presentations are sought. Submit three copies of summaries and abstracts by Dec. 1, 1987, to either Shu Lin, Dept. of Electrical Engineering, University of Hawaii at Manoa, Holmes Hall 483, 2540 Dole St., Honolulu, HI 96822, or Suguru Arimoto, Faculty of Engineering Science, Osaka University, Toyonaka, Osaka 560, Japan.

Second Symposium on Space C3 (AFCEA): May 16-19, 1988, Annapolis, Md. Prospective authors should contact Randy Crawford/DQ, IIT Research Institute, 185 Admiral Cochrane Dr., Annapolis, MD 21401; (301) 224-2295 by Dec. 1, 1987, and submit abstracts by Jan. 9, 1988. Final manuscripts are due by April 11, 1988.

Third Israel Conference on Computer Systems and Software Engineering (Israel chapter of the Computer Society: Information Processing Assoc. of Israel): June 6-7, 1988, Tel Aviv. Four copies of extended abstracts are sought by Dec. 1, 1987 addressed to Amiram Yehudai, c/o ORTRA Ltd., PO 50432, Tel Aviv 61500, Israel; telephone (972) 3-664825. Final versions are due by April 10, 1988.

17th MUMPS Users’ Group Meeting: June 13-17, 1988, New Orleans, La. Six copies of draft manuscripts are due by Dec. 1, 1987, and final manuscripts are due by March 15, 1988 addressed to MUMPS Users Group, 4321 Hartwick Rd., Suite 510, College Park, MD 20740; (301) 779-6555.

Symposium on the Engineering of Computer-Based Medical Systems: June 8-10, 1988, Minneapolis. Four copies of manuscripts are required by Dec. 2, 1987, addressed to Bart Galle, Continuing Medical Education, Box 202, University of Minnesota Medical Clinic, 420 Delaware St. SE, Minneapolis, MN 55455; (612) 626-5525.

Ninth International Conference on Pattern Recognition (IAPR): Oct. 17-20, 1988, Beijing. Four copies of complete drafts, including abstracts, are sought by Dec. 2, 1987, addressed to Herbert Freeman, CAIP Center, Busch Campus, Rutgers University, New Brunswick, NJ 08903; (201) 932-3443.

SIGMOD 88, Conference on Management of Data (ACM), June 1-3, 1988, Chicago. Papers are sought by Dec. 4, 1987, in two tracks: (1) concepts and techniques (send to Per-Ake Larson, Dept. of Computer Sciences, University of Waterloo, Waterloo, Ontario, Canada N2L 3G1); (2) applications and implementations (send to Haran Boral, MCC, 3500 W. Balcones Center Dr., Austin, TX 78759).

Workshop on Parallel and Distributed Debugging (ACM): May 5-6, 1988, Madison, Wis. Submit eight copies of extended abstracts by Dec. 15, 1987, and final papers by April 1, 1988, to Bart Miller, Computer Sciences Dept., University of Wisconsin, 1210 W. Dayton St., Madison, WI 53706; (608) 263-3378.

Third International Conference on Data and Knowledge Bases: June 28-30, 1988, Jerusalem. Five copies of papers or extended abstracts are sought by Dec. 20, 1987 addressed to C. Beeri, Databases Conference, PO 29513, Tel Aviv 61292, Israel; telephone (972) 02-385266.

Third International IEEE Conference on Ad Applications and Environments, May 23-26, 1988: Manchester, N.H. Papers, due by Dec. 30, 1987, should be submitted to Dewayne E. Perry, AT&T Bell Laboratories, Rm. 3D-454, 600 Mountain Ave., Murray Hill, NJ 07974; (201) 582-2529.

CAD/CAM Technology Transfer to Latin Americas Conference (IFIP): Aug. 22-26, 1988, Mexico City. Submit five copies of paper (1000 to 5000 words) plus abstract on any area of CAD/CAM/CAE by Jan. 15, 1988 to G. Leon Lastra, Instituto de Investigaciones Electricas, Apdo. Postal 5-849, 11590 Mexico, D.F.

Eighth International Symposium on Protocol Specification, Testing, and Verification (IFIP): June 7-10, 1988, Atlantic City, N.J. Submit five copies of papers by Jan. 15, 1988 to Sudhir Aggarwal, Bell Communications Research, 435 South St., Morristown, NJ 07960; (201) 829-4477; or Krishnan Sabnani, AT&T Bell Laboratories, 600 Mountain Ave., Murray Hill, NJ 07974; (201) 582-5740.

IEEE Software and IEEE Expert are seeking papers for special November 1988 issues on expert systems applied to software engineering. Abstracts should be submitted as soon as possible, and eight copies of manuscripts are due by Feb. 1, 1988, all addressed to Murat Tanik, Dept. of Computer Science & Engineering, Southern Methodist University, Dallas, TX 75275-0122; (214) 692-3083, ext. 2854.

IEEE Software: Articles on all topics are sought for the September 1988 issue. Contact Ted G. Lewis, editor-in-chief, IEEE Software, c/o Computer Science Dept., Oregon State University, Corvallis, OR 97331; (503) 754-2744; Csnnet Lewis@Oregon-state; Compmail + t.lewis. Materials are due by Feb. 1, 1988.

November 1987
