Purpose: The IEEE Computer Society is the world’s largest association of computing professionals and is the leading provider of technical information in the field.

Membership: Members receive the monthly magazine Computer, discounts, and opportunities to serve (all activities are led by volunteer members). Membership is open to all IEEE members, affiliate society members, and others interested in the computer field.

Computer Society Website: www.computer.org

Ombudsman: To check membership status or report a change of address, call the IEEE Member Services toll-free number, +1 800 678 4333 (US) or +1 732 981 0060 (international). Direct all other Computer Society-related questions—magazine delivery or unresolved complaints—to help@computer.org.

Chapters: Regular and student chapters worldwide provide the opportunity to interact with colleagues, hear technical experts, and serve the local professional community.

Available Information: To obtain more information on any of the following, contact Customer Service at +1 714 821 8380 or +1 800 272 6657:

- Membership applications
- Publications catalog
- Draft standards and order forms
- Technical committee list
- Technical committee application
- Chapter start-up procedures
- Student scholarship information
- Volunteer leaders/staff directory
- IEEE senior member grade application (requires 10 years practice and significant performance in five of those 10)

Publications and Activities

Computer: The flagship publication of the IEEE Computer Society, Computer, publishes peer-reviewed technical content that covers all aspects of computer science, computer engineering, technology, and applications.

Periodicals: The society publishes 12 magazines, 15 transactions, and one letters. Refer to membership application or request information as noted above.

Standards Working Groups: More than 150 groups produce IEEE standards used throughout the world.

Technical Committees: TCs provide professional interaction in more than 45 technical areas and directly influence computer engineering conferences and publications.

Conferences/Education: The society holds about 200 conferences each year and sponsors many educational activities, including computing science accreditation.

Certifications: The society offers two software developer credentials. For more information, visit www.computer.org/certification.

Next Board Meeting
17–18 November 2013, New Brunswick, NJ, USA
