IEEE COMPUTER SOCIETY: Be at the Center of It All

IEEE Computer Society membership puts you at the heart of the technology profession—and helps you grow with it.

Here are 10 reasons why you need to belong.

1. **Training** that sharpens your edge in Cisco, IT security, MS Enterprise, Oracle and more.
2. **Certifications** and exam preparation that set you apart.
4. **Deep discounts** on magazines, journals, conferences, symposia and workshops.
5. Opportunities to **get involved** through speaking, publishing and volunteering opportunities.
6. **Access** to hundreds of books, 13 technical magazines and 20 research journals.
7. **Scholarships awarded** to computer science and engineering student members each year.
8. **A robust jobs board**, plus videos, articles and presentations to help you land that next opportunity.
9. **Over 200 annual conferences** and technical events held worldwide.
10. **300-plus chapters** and more than 30 technical committees keep you connected.

**IEEE Computer Society**—keeping you ahead of the game. Get involved today.
