IEEE COMPUTER SOCIETY: Be at the Center of It All

IEEE Computer Society membership puts you at the heart of the technology profession—and helps you grow with it.

Here are 10 reasons why you need to belong.

1. **Training** — that sharpens your edge in Cisco, IT security, MS Enterprise, Oracle, and more.
2. **Certifications** — and exam preparation that set you apart.
4. **Access** — to hundreds of books, 13 technical magazines, and 20 research journals.
5. **300-plus chapters** and more than 30 technical committees keep you connected.
6. **Deep discounts** — on magazines, journals, conferences, symposia, and workshops.
7. **Opportunities to get involved** — through speaking, publishing, and volunteering opportunities.
8. **Scholarships awarded** — to computer science and engineering student members each year.
9. **A robust jobs board** — plus videos, articles, and presentations to help you land that next opportunity.
10. **Over 200 annual conferences** — and technical events held worldwide.

IEEE Computer Society—keeping you ahead of the game. Get involved today.
