AT Power, Toshiba-Style.

Until now, working away from your office meant having to settle for lesser computers—or no computer at all.

Toshiba ends that compromise. The T3100 delivers the power of an IBM® PC AT™ in a lean, 15-pound computer that you can take with you. With a full-sized keyboard and advanced gas plasma display that give you equal comfort and clarity on your desk—or on the road.

Don't let its size fool you.

Though the T3100 is no bigger than many laptop computers, it offers the power of a full-function IBM compatible desktop AT system. You get the speed and ease of a built-in hard disk, communications and expansion options, and more—including dual-voltage power that lets you plug in and go to work just about anywhere in the world.

*Okay, we exaggerated. It's actually 14.2" x 12.2". But you really get a 10.6MB built-in hard disk.

See the system that has all of the industry experts so excited. Call: 1-800-457-7777 for your nearest Toshiba computer and printer dealer.
