IEEE COMPUTER SOCIETY: Be at the Center of It All

IEEE Computer Society membership puts you at the heart of the technology profession—and helps you grow with it.

Here are 10 reasons why you need to belong.

10. A robust jobs board, plus videos, articles and presentations to help you land that next opportunity.
9. Scholarships awarded to computer science and engineering student members each year.
8. Opportunities to get involved through speaking, publishing and volunteering opportunities.
7. Deep discounts on magazines, journals, conferences, symposia and workshops.
6. Access to hundreds of books, 13 technical magazines and 20 research journals.
5. 300-plus chapters and more than 25 technical committees keep you connected.
4. Customized solutions in software and systems, information and communications technology, security and privacy, and computer engineering.
3. Industry intelligence, including Computer, myCS, Computing Now, and myComputer.
2. Certifications and exam preparation that set you apart.
1. Training that sharpens your edge in Cisco, IT security, MS Enterprise, Oracle and more.

IEEE Computer Society—keeping you ahead of the game. Get involved today.
