Richard E. Merwin Scholarships are awarded to recognize and reward active student volunteer leaders who show promise in their academic and professional efforts.

- Scholarships from $1,000
- Recipients are recognized as Computer Society Ambassadors and receive mentoring opportunities
- Available to graduate and undergraduate students in their final two years
- Students must be enrolled in a program in electrical or computer engineering, computer science, information technology, or a well defined computer-related field
- IEEE Computer Society membership required at time of application

$40,000 AVAILABLE FOR IEEE COMPUTER SOCIETY MEMBERS
