

2005 Reviewers

The articles appearing in *IEEE Pervasive Computing* are the result of hard work by many people. First are all the authors who submitted a paper. Whether or not your submission was successful, we thank you for choosing our title as the place where you'd like to see your best work appear.

Authors often tell us how much they value the reviewing process. We would like to thank all of you involved in that. Your expertise, care, and attention adds to the quality of our title and maintains standards within our subject. If we omitted your name, we sincerely apologize; please send us your contact information and we'll do better next time.

How to Reach Us

Writers

For detailed information on submitting articles, write for our Editorial Guidelines (pervasive@computer.org) or access www.computer.org/pervasive/author.htm.

Letters to the Editor

Send letters to

Shani Murray, Lead Editor
IEEE Pervasive Computing
10662 Los Vaqueros Circle
Los Alamitos, CA 90720
pervasive@computer.org

Please provide an email address or daytime phone number with your letter.

On the Web

Access www.computer.org/pervasive or <http://dsonline.computer.org> for information about *IEEE Pervasive Computing*.

Subscription Change of Address

Send change-of-address requests for magazine subscriptions to address.change@ieee.org. Be sure to specify *IEEE Pervasive Computing*.

Membership Change of Address

Send change-of-address requests for the membership directory to directory.updates@computer.org.

Missing or Damaged Copies

If you are missing an issue or you received a damaged copy, contact membership@computer.org.

Reprints of Articles

For price information or to order reprints, send email to pervasive@computer.org or fax +1 714 821 4010.

Reprint Permission

To obtain permission to reprint an article, contact William Hagen, IEEE Copyrights and Trademarks Manager, at copyrights@ieee.org.
