Call for Papers
and Participation

Calls are listed according to submittal deadlines. Conferences which the Computer Society participates in or sponsors are indicated by the IEEE Computer Society logo. For inclusion in "Call for Papers," submit information four weeks before the month of publication to IEEE SOFTWARE, 10662 Los Vaqueros Circle, Los Alamitos, CA 90720.

Third Software Engineering Standards Application Workshop: October 2-4, 1984, San Francisco, California. Submit a 300- to 500-word position statement, a 300-word panel session proposal, or a 500-word technical paper by February 17, 1984, to M. Branstad, NBS, Room B266, Technology Bldg., Washington, DC 20234; (301) 921-3545. (See "Software Standards," p. 95, for additional information.)

SEC 84, Second International Conference on Computer Security (IFIP); September 10-12, 1984, Toronto, Canada. Deadline for papers, February 29, 1984. For author instructions, contact IFIP/SEC 84, Suite 1806, 2 Carlton St., Toronto, Ontario, Canada M5B 1J3.

Compon Fall 84, Small Computer (R)Evolution: September 16-20, 1984, Arlington, Virginia. Submit three copies of a 1000- to 5000-word paper by April 2, 1984, to Joe Batz, Compon Fall 84, IEEE Computer Society, PO Box 639, Silver Spring, MD 20901; (301) 589-8142; TWX 7108250437 IEEE COMPSO. Proposals for tutorials, special sessions, panels, and demonstrations are also solicited.

Compac 84, Eighth Annual International Computer Software and Applications Conference, November 7-9, 1984, Chicago, Illinois. Submit five copies of papers or panel session proposals by April 6, 1984, to Albert Hawkes, Sargent and Lundy Engineers, 55 East Monroe St., Chicago, IL 60603.

11th Annual Microprogramming Workshop: October 30-November 2, 1984, New Orleans, Louisiana. Submit six copies of a regular paper (20-25 pages) or a short paper (7-9 pages) by May 1, 1984, to Joseph L. Linn, Micro-17, Computer Science Dept., University of Southwestern Louisiana, PO Box 44330, Lafayette, LA 70504; (318) 231-6339.

Ada Applications and Environments Conference: October 15-18, 1984, St. Paul, Minnesota. Formal papers (20-30 double-spaced pages) on education, embedded computer applications, programming techniques, empirical experience, software development and maintenance tools, or distributed systems and proposals for panel sessions and birds-of-a-feather sessions are solicited. Submit by May 15, 1984, six copies of contributions to David A. Fisher, Gensoft Corporation, 319 South Craig St., Pittsbugh, PA 15213.

Short Courses

Software Testing: February 23-24, Orlando, Florida; March 22-23, San Francisco, California; April 12-13, Boston, Massachusetts; May 6, 1984, Chicago, Illinois; May 20, Denver, Colorado; May 20, Atlanta, Georgia; April 4, Chicago, Illinois; April 10, Silver Spring, Maryland; May 1, Montreal, Canada; May 2, Toronto, Canada, free of charge. Contact: Joe T. Schobel, Computer Services, 3100 Euclid Ave., Cleveland, OH 44115.

Multivariate Analyses: February 23-24, Sacramento, California; March 20-21, Austin, Texas; April 24-25, San Francisco, California; May 19-20, Chicago, Illinois; June 16-17, Columbus, Ohio; July 21-22, New York City; August 26-27, Los Angeles, California; September 30-October 1, Atlanta, Georgia; October 22-23, Washington, DC.

Database Management Systems: February 23-24, Boston, Massachusetts; March 2-3, Miami, Florida; April 20-21, St. Louis, Missouri; May 12-13, San Diego, California; May 27-28, Washington, DC; June 28-29, Pittsburgh, Pennsylvania; July 23-24, San Francisco, California; August 18-19, New York City; September 22-23, Boston, Massachusetts.

Operating Systems for Personal Computers: February 23-24, Chicago, Illinois; March 13-14, New York City; April 10-11, San Diego, California; May 8-9, Washington, DC; June 5-6, San Francisco, California; June 26-27, Boston, Massachusetts; July 17-18, New York City; August 24-25, Los Angeles, California; September 29-30, Washington, DC.

Structured Requirements Definition (SRD): April 16-19, Saddlebrook, New Jersey; May 1-4, San Francisco, California; June 28-30, New York City; July 25-28, Washington, DC; August 1-4, Boston, Massachusetts; August 8-11, Los Angeles, California; August 15-18, San Francisco, California; August 22-25, Washington, DC; September 19-22, New York City; October 17-20, Boston, Massachusetts; October 24-27, Los Angeles, California; November 1-4, San Francisco, California; November 8-11, Washington, DC; November 15-18, Orlando, Florida; November 22-25, New York City; December 6-9, San Diego, California.

Structured Program Design/Maintenance: April 23-26, New York City; May 7-10, San Francisco, California; May 14-17, New York City; May 21-24, San Diego, California; June 11-14, Washington, DC; July 9-12, New York City; July 16-19, San Diego, California; August 6-9, Washington, DC; August 13-16, San Francisco, California; September 10-13, New York City; September 17-20, San Diego, California; October 1-4, Washington, DC; October 8-11, San Francisco, California; October 15-18, New York City; October 22-25, San Diego, California; November 19-22, Washington, DC; November 26-29, San Francisco, California; December 3-6, New York City; December 10-13, San Diego, California; December 17-20, Washington, DC; January 14-17, San Francisco, California; January 21-24, New York City; January 28-31, San Diego, California.
