WHERE WILL YOUR TALENTS TAKE YOU?

At GTE Systems, it's up to you.

GTE Government Systems provides such a setting. We are involved in efforts that include communications systems, C3I, local area networking, distributed systems design, and advanced workstation design.

With our achievements come technical projects that will challenge your skills and talents . . . and will give you the opportunity you need to succeed. You'll have a clear view of success . . . and the path you need to get there.

If you would like to be a part of our technological advancements, join us in one of the following areas:

- SYSTEMS ENGINEERING
- HW ENGINEERING
- SW ENGINEERING
- LOCAL AREA NETWORKING
- REQUIREMENTS ANALYSIS
- SYSTEMS PERFORMANCE EVALUATION
- DEVELOPMENT & TEST SYSTEMS

In addition to these exciting career opportunities, GTE Government Systems offers excellent compensation, a thoroughly professional work environment, and complete benefits, including educational assistance, stock purchase plan, tax-deferred savings plan, and much more.

Take your talents to GTE Government Systems . . . and realize your career goals. To explore the career opportunities GTE Government Systems has available, send your resume in complete confidence to:

GTE GOVERNMENT SYSTEMS
1700 Research Blvd., Suite 200N
