2012 Reviewers

The articles appearing in *IEEE Software* are the result of hard work by many people. We deeply appreciate the efforts of everyone who reviewed more than 200 articles submitted to *Software* last year. The peer-review process helps maintain the magazine’s revered quality. All of us in the software development community owe gratitude to people who participate in this crucial service. Readers who would like to contribute as reviewers can visit [www.computer.org/software/reviewers](http://www.computer.org/software/reviewers) to find out how they can get involved. —*Software’s Editorial Board and Staff*
