Editorial: All submissions are subject to editing for clarity, style, and space. Unless otherwise stated, bylined articles and departments, as well as product and service descriptions, reflect the author’s or firm’s opinion. Inclusion in IEEE Software does not necessarily constitute endorsement by IEEE or the IEEE Computer Society.

To Submit: Access the IEEE Computer Society’s Web-based system, ScholarOne, at http://mc.manuscriptcentral.com/sw-cs. Be sure to select the right manuscript type when submitting. Articles must be original and not exceed 4,700 words including figures and tables, which count for 200 words each.
