Message from the General Chair

Dear Participants,

On behalf of the organizing committee, it is our great pleasure to welcome you to the 2014 Fourth International Conference on Advanced Computing & Communication Technologies (ACCT 2014) in Rohtak, India. This conference is organized by RG Education Society, Rohtak, with the aim of disseminating knowledge amongst intellectuals, students and research scholars.

The objective of ACCT 2014 is to provide a highly interactive forum so as to bring together researchers of different disciplines, from academic and research institutions, industry and public organizations with the aim of collecting, exchanging and promoting the knowledge and new advances on computing, communication and control, technologies and applications.

The conference offers about 100 oral presentations by researchers from India and native countries. We are also honored to have several plenary lectures by well-known leading experts from various engineering disciplines. We hope that the lectures and papers presented in the conference will stimulate and inspire future studies and advancement in computing, communication and control.

It is our hope and expectation that ACCT will become the leading forum for experts from academia, industry and government to exchange ideas and report progress on forefront Computing & Communication research. The conference is well on its way to becoming synonymous with technical excellence and has attracted the worlds’ top researchers in this field.

We also wish to welcome new and returning visitors to Rohtak, India. We hope that you will find opportunities to tour this education-city and also enjoy the beautiful scenes, tasty food, and friendly people. We take this opportunity to express our sincere thanks to the conference advisory committee, program committee, the session chairs, the reviewers, and the volunteers for their great efforts to make the conference possible. We extend our gratitude to our Publishing Partner IEEE Computer Society CPS. Finally, we thank you for choosing to participate in the ACCT 2014 conference.

Warmly,
J P Mittal
ACCT 2014 General Chair
