The Eleventh Annual Asilomar Conference on Circuits, Systems, and Computers was held on November 7-9, 1977 at the Asilomar Hotel and Conference Grounds, Pacific Grove, California. The Conference was co-sponsored by the Electrical Engineering Department of the Naval Postgraduate School and the Department of Electrical Engineering and Computer Science of the University of Santa Clara.

The Conference was devoted to the presentation of new ideas and preliminary research results in the general areas of circuits, systems, and computers with special sessions on image processing, digital and analog filtering, topological applications, energy and socioeconomic systems, microprocessor based systems, and microwave circuits.

The papers contained in this record were selected after careful screening from many excellent papers which were submitted. The 1977 Conference Committee consisted of:

General Chairman: H. A. Titus, Naval Postgraduate School
Program Chairman: C. C. Hsieh, Farinon Electric
Program Committee: P. Weil, Hughes Aircraft Company
R. Jensen, Hughes Aircraft Company
W. Ku, Cornell University
J. Wozencraft, Massachusetts Institute of Tech.
A. J. Rockmore, Systems Control, Inc.
J. D. Bronzino, Trinity College
T. Duder, Farinon Electric
E. Strid, Farinon Electric

Publication: S. P. Chan, University of Santa Clara
Finance: D. E. Kirk, Naval Postgraduate School
Local Organization: J. Powers, Naval Postgraduate School
Publicity: H. T. Russell, Signetics Corporation

Gratitude is expressed to the attendees, authors, session chairmen and organizers, and reviewers whose interest and efforts contributed much to the success of this Conference.

Special thanks is due to Ms. Linda Jimenez and Mrs. Mary Schlotterbeck, both of the Department of Electrical Engineering and Computer Science, University of Santa Clara, for their assistance in many ways, especially during the early stage in the preparation of the Conference.

The Twelfth Asilomar Conference on Circuits, Systems, and Computers is scheduled to be held on November 6-8, 1978 at the Asilomar Hotel and Conference Grounds, Pacific Grove, California.
