Organization of UNC’08

General Chairs:
Laurence T. Yang, Saint Francis Xavier University, Canada
Yan Zhang, Simula Research Laboratory, Norway
Javier Garcia Villalba, Complutense University of Madrid, Spain
Neal N. Xiong, Georgia State University, USA

Program Chairs:
Yong Zhu, Wuhan University of Science and Technology, China
Neal N. Xiong, Georgia State University, USA

Publication Chairs:
Jong Hyuk Park, Kyungnam University, Korea
Y. Yang, Japan Advanced Institute of Science and Technology, Japan
Ruhan He, University of Wuhan Science and Technology, China

Program Committee:
Min Huang, Chinese Academy of Sciences, China
Weigang Wu, Hong Kong Polytechnic University, Hong Kong
Zhiwen Yu, Kyoto University, Japan
Wei Yu, Hong Kong Polytechnic University, Hong Kong
Yared Rami, Japan Advanced Institute of Science and Technology, Japan
Jun Xiao, East China Normal University, China
Jianwei Yin, Zhejiang University, China
Ruhan He, University of Wuhan Science and Technology, China
Wenyong Dong, Wuhan University, China
Xuefeng Liang, England London University, England
Y. Yang, Japan Advanced Institute of Science and Technology, Japan
Yong Zhu, Wuhan University of Science and Technology, China
Jong Hyuk Park, Kyungnam University, Korea
Chao Peng, Japan Advanced Institute of Science and Technology, Japan
Yingpeng Sang, University of Adelaide, Australia
Dan Yu, BeiHang University, China
Xinrong Hu, Wuhan University of Science & Engineering, China
Jianguo Wei, National Center for Scientific Research, Paris, France
Fei Yan, Wuhan University, China
Chuan Lin, Wuhan University, China
Thanos Vasilakos, University of Western Macedonia, Greece
Javier Garcia Villalba, Complutense University of Madrid, Spain
Marius Portmann, University of Queensland, Australia
Frode Eika Sandnes, Oslo University College, Norway
Sajid Hussain, Acadia University, Canada
Bin Xie, University of Cincinnati, USA
Jemal Abawajy, Deakin University, Australia
Agustinus Borgy Waluyo, Institute for Infocomm Research (I²R), Singapore
Webmaster:
  Ruhan He, University of Wuhan Science and Technology, China
  Neal N. Xiong, Georgia State University, USA

Corresponding Chair:
  Neal N. Xiong, Georgia State University, USA
