Research Track

Program Chairs

Jing Sun, University of Auckland, New Zealand
Y. Raghu Reddy, IIIT Hyderabad, India

Program Committee

Muhammad Ali Babar, IT University of Copenhagen, Denmark
Toshiaki Aoki, Japan Advanced Institute of Science and Technology (JAIST), Japan
Doo-Hwan Bae, Korea Advanced Institute of Science and Technology (KAIST), Korea
Heung-Seok Chae, Pusan National University, Korea
William Chu, TungHai University, Taiwan
Neville Churcher, University of Canterbury, New Zealand
Denzil Correa, Max Planck Institute for Software Systems (MPI-SWS), Germany
Meenakshi Dsouza, International Institute of Information Technology, India
Colin Fidge, Queensland University of Technology, Australia
Sudipto Ghosh, Colorado State University, USA
Emanuel Grant, University of North Dakota, USA
Lindsay Groves, Victoria University of Wellington, New Zealand
Atul Gupta, Indian Institute of Information Technology, Design and Manufacturing (IIITDM), India
Jun Han, Swinburne University of Technology, Australia
Zhi Jin, Peking University, China
Padmaja Joshi, Centre for Development of Advanced Computing (C-DAC), India
Jacky Keung, City University of Hong Kong, China
Takashi Kobayashi, Tokyo Institute of Technology, Japan
Raghavan Komondoor, Indian Institute of Science, India
Vinay Kulkarni, Tata Consultancy Services, India
Akash Lal, Microsoft Research, India
Jaiprakash Lallchandani, International Institute of Information Technology, India
Jonathan Lee, National Taiwan University, Taiwan
Scott Uk-Jin Lee, Hanyang University, Korea
Karl Leung, Hong Kong Institute of Vocational Education, China
Xiaohong Li, TianJin University, China
Yuan-Fang Li, Monash University, Australia
Shang-Wei Lin, Singapore University of Technology and Design, Singapore
Hidehiko Masuhara, Tokyo Institute of Technology, Japan
Makoto Matsushita, Osaka University, Japan
Akito Monden, Nara Institute of Science and Technology (NAIST), Japan
Pornsiri Muenchaisri, Chulalongkorn University, Thailand
Meiyappan Nagappan, Rochester Institute of Technology, USA
V. Krishna Nandivada, Indian Institute of Technology Madras, India
Kozo Okano, Osaka University, Japan
Leon Osterweil, University of Massachusetts, Amherst, USA
Richard Paige, University of York, UK
Rahul Purandare, Indraprastha Institute of Information Technology Delhi, India
Murali Krishna Ramanathan, Indian Institute of Science, India
S Ramesh, General Motors R&D
Motoshi Saeki, Tokyo Institute of Technology, Japan
S. M. Sajeev, University of New England, Australia
Santonu Sarkar, Birla Institute of Technology & Science (BITS Pilani), India
Jean-Guy Schneider, Swinburne University of Technology, Australia
Balwinder Sodhi, Indian Institute of Technology Ropar, India
Eunjee Song, Baylor University, USA
Mark Staples, NICTA, Australia
Jun Sun, Singapore University of Technology and Design, Singapore
Ashish Sureka, ABB Corporate Research Center, India
Stanley Sutton, IBM T. J. Watson Research Center, USA
Tetsuo Tamai, Hosei University, Japan
Tian Huat Tan, Singapore University of Technology and Design, Singapore
Suresh Thummalapenta, Microsoft, USA
Jun Wei, Chinese Academy of Sciences, China
Zhenchang Xing, Nanyang Technological University, Singapore
Baowen Xu, Nanjing University, China
Rieko Yamamoto, Fujitsu Laboratories Ltd., Japan
Hongyu Zhang, Tsinghua University, China
Industry Track

Program Chair
Arun Bahulkar, Tata Consultancy Services (IND)
Anjaneyulu Pasala, Infosys Technologies Limited (IND)

Program Committee
Nachi Nagappan, Microsoft Research USA
Tom Zimmermannm, Microsoft research USA
Paddy Krishnan, Oracle Labs in Brisbane – Australia
Shubhashis Sengupta, Accenture Labs India
Tony Clark, Middlesex university, UK
Kesav Nori, IIIT Hyderabad India
David Lo, Singapore Management University, Singapore
M Srivas, CMI Chennai, India
Maya Daneva, University of Twente, Netherland
Samarjit Chakraborty, TU Munich, Germany
Nanjangud Narendra, CTS India
Jai Ganesh, Mphasis, India
Ravindra Kumar Metta, TCS, India
