Are We Unfit for Social Media?

Moderator:
Andrea Tagarelli, University of Calabria, Italy

Panelists:
Rosa Benito, Technical University of Madrid, Spain
Ralucca Gera, Naval Postgraduate School, USA
George Karypis, University of Minnesota, USA
Massimo Marchiori, University of Padua, Italy
Christoph Stadtfeld, ETH Zürich, Switzerland
Frans Stokman, University of Groningen, Netherlands

Abstract

The main theme of this panel will focus on high societal impact problems that involve OSN users and are of everyone's concern, and on the use of advanced learning toolkits to unveil solutions for such problems. These include, but are not limited to, well-being and health-related psychosociological problems (e.g., inclination to depression), aggression and cyberbullying, bots/human-mimicking behaviors and mirroring, dis/misinformation spread and fake news.
