Program Committee

Joanne Atlee, University of Waterloo, Canada
Paul Bailes, University of Queensland, Australia
Tony Bailetti, Bell-Northern Research, Canada
    Jack Barnard, AT&T, USA
Michael Baner, University of Western Ontario, Canada
Kurt Bauknecht, Universitat Zurich, Switzerland
Stefan Berner, Sigmaplan AG, Switzerland
Alan Brown, Software Engineering Institute, USA
    Elliot Chikofsky, DMR Group, USA
Francois Coallier, Bell Canada, Canada
Jim Cordy, Queen's University, Canada
Jean-Claude Derzlane, University of Nancy, France
    Peter Eirich, Westinghouse, USA
    Peter Feiler, SEI, USA
    Pat Finnigan, IBM Canada Ltd.
Gene and Karen Forte, Forte Research, USA
    Morven Gentleman, National Research Council, Canada
Gene Hoffnagle, IBM Corporation, USA
    Ric Holt, University of Toronto, Canada
Stan Jarzabek, National University of Singapore, Singapore
    John Jenkins, City University London, UK
Rudolf Keller, Universite de Montreal, Canada
    Michael Kearns, New Technology Inc., USA
    Bernd Kraemer, Fernuniversitat Hagen, Germany
    Paul Larson, University of Waterloo, Canada
    Paul Layzell, UMIST, UK
    Michael Levy, University of Victoria, Canada
    Claus Lewerentz, Technische Universitaet Cottbus, Germany
    Swee-Cheang Lim, National University of Singapore, Singapore
    Graham Low, University of New South Wales, Australia
    Loredana Mancini, Olivetti Information Services, Italy
    Tomoo Matsubara, Japan
    Julia M. McCreary, IRS, USA
    Silvio Lemos Meira, Federal University of Pernambuco, Brazil
    Ettore Merlo, Ecole Polytechnique de Montreal, Canada
    Hausi Miller, University of Victoria, Canada (Co-Chair)
    John Mylopoulos, University of Toronto, Canada
    Jim Ning, Andersen Consulting, USA
    Ronald J. Norman, San Diego State University, USA (Co-Chair)
    Sridhar Raghavan, Digital Equipment Corporation, USA
    Karl Reed, La Trobe University, Australia
    Ron Riesenbach, ITRC, Canada
    Walt Scacchi, University of Southern California, USA
    Jacob Slonim, IBM Canada Ltd.
    Paul Sorenson, University of Alberta, Canada
    Toru Takeshita, Chubu University, Japan
    Homa Taraji, The Aerospace Corporation, USA
    Scott Tilley, Software Engineering Institute, USA
    Jos Trincenens, Technical University Eindhoven, The Netherlands
    Paul Tremblay, University of Saskatchewan, Canada
    Stephanie White, Northrop Grumman Corporation, USA
    Kenny Wong, University of Victoria, Canada
    Sandra Yin, IRS, USA
    Lin Zucconi, CSIRO, Australia
