Welcome Message from the Workshop Co-Chairs

CISIS 2014

Welcome to the Workshops of the 8th International Conference on Complex, Intelligent and Software Intensive Systems (CISIS 2014), which will be held at Birmingham City University, Birmingham, UK, from July 2 to July 4, 2014.

We are pleased that for this edition of CISIS International Conference we have 10 international workshops. Some of these workshops are in their 5th, 6th, 7th, and 8th editions. The objective was to complement as much as possible the main theme of CISIS 2014 with specific topics of different workshops in order to cover topics from the three challenging areas of ICT-enabled applications: Software Intensive Systems, Complex Systems and Intelligent Systems.

The list of workshops is as follows:
1. The 8th International Workshop on Engineering Complex Distributed Systems (ECDS 2014)
2. The 7th International Workshop on Engineering Parallel and Multi-Core Systems (ePaMus 2014)
3. The 7th International Workshop on Intelligent Interfaces for Human-Computer Interaction (IIHCl 2014)
4. The 7th International Workshop on Intelligent Informatics in Biology and Medicine (IIBM 2014)
5. The 6th International Workshop on Virtual Environment and Network-Oriented Applications (VENOA 2014)
6. The 4th International Workshop on the Application of Intelligent Context-Awareness (AICA 2014)
7. The 5th International Workshop on Autonomic Distributed Systems (ADiS 2014)
8. The 5th International Workshop on Interactive Environments and Emerging Technologies for eLearning (IEETeL 2014)
9. The 4th Semantic Web/Cloud Information and Services Discovery and Management (SWISM 2014)
10. The 4th International Workshop on Intelligent Computing In Large-Scale Systems (ICLS 2014)

These workshops bring to the researchers conducting research in specific themes the opportunity to learn from this rich multi-disciplinary experience. The Workshop Co-Chairs would like to thank CISIS 2014 International Conference Organizers for their help and support. We are grateful to the workshops organizers for their great efforts and hard work in proposing the workshops, selecting the papers, the interesting programs and for the arrangements of the workshops during the conference days. We are grateful to Dr. Makoto Ikeda and Mr. Tetsuya Oda, Fukuoka Institute of Technology, Japan for their excellent work and support as Web Administrators. We would like to give special thanks to the Local Organization Team of Birmingham City University, Birmingham, UK.

We hope you enjoy the workshops, programs, and proceedings.
